Please be prompt in collecting your child and leaving the school premises. Thank you for your understanding in this very important matter.
- **Emergency Contact forms and school trip consent forms:** A message from Haringey Educational Welfare Team: Having current details, such as addresses, phone numbers, email addresses, and GP contact information, is crucial for schools. It ensures efficient communication with parents and guardians and supports the safety and wellbeing of pupils. In instances where pupils need to be located, updated contact and GP information are vital, particularly for safeguarding purposes.
- **After School Sports Clubs:** 'Confirmation of a place' letters have been distributed to those children who have gained a place at the after school clubs that start next week. We have had many more applicants than places available. Those children who did not gain a place this term will be placed on the waiting list.
- **The Friends of St John Vianney Primary School (FOSJV):** All parents and carers at our school are "Friends of SJV". It is an association set up by parents and carers in partnership with the school. The organisation has been running for several years, thanks to the generosity of many volunteers. The FOSJV organise events such as the Christmas and summer fair, cake sales and fancy dress discos. Money raised supports the development of our children. Please come along to our meeting on 25th September after assembly to find out how you can support and help the team. New members are always very welcome.
