Dear Parents and Carers,

We would like to take this opportunity to remind you of the importance of regularly checking your child's mobile phone and online activity. As children in Year 5 become more confident with technology, it is essential that they are supported and guided in using it safely and responsibly.

We kindly ask that you:

- Check your child's phone regularly
- Be aware of the apps, games, and messaging platforms they use
- Monitor conversations to ensure they are appropriate and respectful
- Ensure privacy settings are secure and age-appropriate

Open and ongoing conversations with your child about online safety, kindness, and respectful communication can help them make sensible choices and understand the impact of their actions.

In school, we actively teach pupils about e-safety and positive behaviour online. However, as most online activity happens at home, your support is key in helping to keep all children safe.

If you have any concerns or would like advice on how best to support your child, please do not hesitate to contact us.

Kind Regards,

Mrs Burns

Co-headteacher
