Year 1/2F

Year 1/2 have been exploring digital art this week. We have been editing pictures of classroom items and turning them into characters. It has provided a good amount of laughter and fun for us all and some wonderful results!

Year 3

Year 3 have enjoyed bringing all of their Ancient Egyptian learning to an end this week by producing a leaflet in English with all of the information that they have learnt during the topic. We are very much looking forward to our Ancient Egypt day today (Friday)!

Year 4

Year 4 have enjoyed using clay to make sculptures inspired by the work of Barbara Hepworth this week

Easter Service for years 3, 4, 5 and 6.

It was wonderful to see so many families and members of our community come together for such a special occasion. I'm sure you will agree that the children did a truly fantastic job — their readings, singing, and participation were all delivered with confidence and enthusiasm.

Your support means so much to us, and events like this are made even more meaningful when we can share them with you.

Thank you once again for joining us and helping to make the service so memorable.

Huge thanks

Thank you to Rowan's butchers in Waterfoot for supplying us with sausages for Year 5 as they recreate a scene from Oliver Twist!

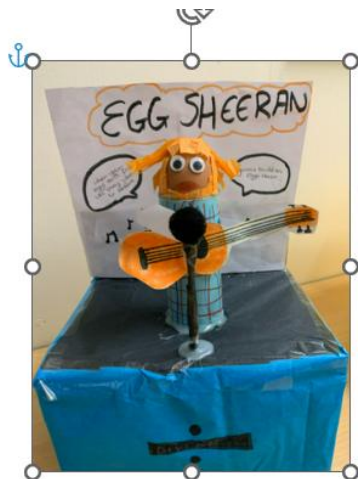

Easter Egg Competition

Today is the big day! Everyone who entered will be placed into a draw and the winners will be drawn in assembly. There will be winners from all year groups to make sure it is fair.

Your creativity, effort, and brilliant ideas made this year's event truly special. We loved seeing all the colourful, imaginative entries — each one brought a smile and plenty of Easter cheer. 🐣 🌸 ✨

In the news this week

Athletes from around the world have been competing in the Winter Paralympic Games in Italy. The Paralympics are an international sporting event for athletes with disabilities. This year's competitors took part in events such as skiing, snowboarding, wheelchair curling, and ice hockey. Many athletes train for years to compete at this level. Some have overcome injuries or health challenges, while others were born with disabilities. Using specialised equipment and incredible determination, they compete for medals.

Things to talk about at home ...

- Who do you find inspiring in sport? Ask someone at home about who they find inspiring.
- What does being a champion mean to you?

What makes someone a champion?

Today we say goodbye to Miss Sutcliffe

It is never easy to say farewell to someone who has made such a positive impact, and Miss Sutcliffe is certainly one of those people. From the moment she joined us, she brought enthusiasm, humour, and a genuine dedication to her work. Her ability to brighten a room, lift spirits, and connect with pupils and staff alike has made her a truly valued member of our school community.

We want to thank her for all the hard work she has put in during her time with us — for the lessons taught, the support she has offered, and the laughter she has shared. She has approached every day with energy and kindness, making a difference not only in the classroom but in the wider school environment as well.

Roots to grow...wings to fly.

Although we will miss her greatly, we will try to focus on the many good times we've shared with her. The memories, the achievements, and the moments of joy will stay with us long after she has moved on. Her contribution has left a lasting mark, and for that we are truly grateful.

As she begins her next chapter, we wish her every success and happiness. We know she will continue to shine just as brightly wherever she goes.

All the very best to Miss Sutcliffe — she will always be remembered fondly by us all.

GETTING READY
TO OPEN ANOTHER

AND GREATER
