Harvest

A huge thank you to everyone who attended our Harvest Services this week and another thank you to those that donated food items. These will be shared between our 'Donation Station' in school and Trinity Food Bank in Bacup.

Please remember that if you ever need a few items of food, please either let the office know or put a little note in your child's book bag and we can send some items home with them.

Roots to grow...wings to fly.

Olio app

Everybody falls short sometimes therefore we thought it would be useful to let you know about the food waste app, Olio. Food Waste Hero volunteers collect food from businesses such as supermarkets, advertise them and redistribute throughout the community via the app. All of the food is wrapped and completely edible.

Class News

Year 1/2F

This week in PSHE, Year 1/2 have been putting our friendship skills to use and we have put all of our names into a hat and pulled one out each and created that person a friendship bracelet! The children had lots of fun working to identify their friends' favourite

colours, creating fun patterns and everyone loved receiving their very own bracelet!

Year 2F

Year 2 enjoyed colour mixing and painting their Lowry inspired artwork this week in our art lessons!

Year 3

Year 3 have completed their final art pieces this week by creating their own 'wild things' inspired by the book Where the Wild things are. We have developed our shading, blending and cross-hatching skills. We can't wait to share them with you in a few weeks at the art exhibition.

Rossendale Hospice Penny Pinching Appeal

We are taking part in the 'Penny Pinching Appeal' for Rossendale Hospice again this year.

The appeal starts on Monday 29th September and finishes Wednesday 26th November. The boxes will be collected on Thursday 27th November.

Each child will be given an empty box so their family can put in any spare coins they may have.

Please only give if you feel you can.

Picture News

In the news this week

This year marks the 80th anniversary of the United Nations (UN), an international organisation founded after the Second World War in 1945, to help countries work together and prevent future conflicts. Today, 193 nations are members, and the UN works on issues like peacekeeping, human rights, health, and climate change. Leaders and communities around the world are reflecting on how important working together is in solving global problems.

Things to talk about at home ...

- Why do you think countries made the decision to work together?
- What problems today do you believe countries need to solve together? Ask others at home what they think.
- Come up with different ways we can be 'peacekeepers' in our own families, schools, or communities.
