Thursday 12th March – School Nurse Drop in – 2pm

Monday 16th March – Parents' Evening

Thursday 26th March – Easter Service at 2:30pm – more details to follow

Class News

EYFS

EYFS have been learning about Lunar New Year this week. We have been learning about the Chinese zodiac, different traditions at Lunar New Year and we have even been trying some traditional Chinese food.

Year 1H

The children have really enjoyed learning about toys from the past and present in History so far this term. On Monday the children can bring a small toy into school to discuss with their friends. If you have any toys that you used to have as a child that you could also send into school for the day that would be amazing!

Year 2F

Class 2F have started our new maths unit - length and height. They have enjoyed measuring in cm and m and comparing the length of different objects. See if they can estimate whether objects at home are longer or shorter than a metre.

Year 3

Year 3 have started a fraction unit this week in maths and shown great enthusiasm towards it! We now understand how to use unit and non-unit fractions and we even demonstrated this with chocolate! Next week we will start to look more at equivalent fractions.

Year 6

Next week is the Residential visit. Another copy of the kitlist for packing was sent home this week. Please remember to bring medicine with forms and correctly labelled on the morning of the visit. Have another look through the residential information on the website, where you will also find a step by step guide to leaving 'guestbook' comments for the children each night of residential. The children are very excited for their visit.

Take a look at our Holy Trinity Stacksteads Facebook page for photographs from this week!

Dance Competition - Tuesday 10th March 2026

Tickets for the Dance Competition will be on sale today at 12 noon. Please follow the link below to purchase your ticket.

Tickets are limited to 1 per transaction until 23rd February, when they go on general sale and you can buy as many as you need.

Ticket are now on general sale.

2026-The year of Reading

Over the next few weeks, the author Jenny Mclachlan will be producing a Friday Book club. These are 30-minute videos filled with fun activities for the children to join in with. Here is the link to week 5-Ghosts

Reading challenge

You still have time to send your photos in if you have any.
y6@stacksteads.lancs.sch.uk

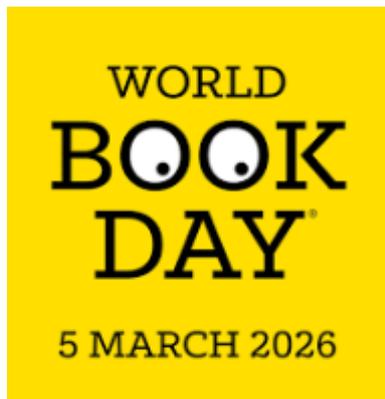

World Book Day

World Book Day will take place on Thursday 5th March 2026. We will be asking the children to come to school with their favourite book, and they can dress-up as a favourite character.

This year, we will be sending home the free book tokens on Friday 13th February to allow chance for a book to be purchased before World Book Day.

If anyone has any old costumes they no longer need or no longer fit, please consider donating them to school. If we receive enough costume donations, we will host a costume sale. All proceeds will go towards book purchases for the Reading Vending machine.

Some more ideas for costumes have been sent out on the app which link to myHappymind.

#Wake up Wednesday

For more information, please take a look at the school website – online safety. <https://www.stacksteads.lancs.sch.uk/curriculum/computing/online-safety>

Picture News

In the news this week

Scientists at NASA are preparing to send astronauts back to the Moon, as part of a new space programme running over the coming years. The series of missions aims to test new technology, learn more about the Moon, and help humans prepare for future journeys deeper into space. The next mission is Artemis II. The plans have sparked discussions about why people explore space and how they could help life on Earth.

Things to talk about at home ...

- > What do you already know about space or the Moon? What would you like to find out?
- > Why do you believe people choose to explore space, even though it can be difficult and risky?
- > If you could explore anywhere beyond Earth, where would you go and why?

Please note any interesting thoughts or comments

Why do people explore space?

Christian Value

Our Christian value for this half term is **truthfulness**.

At Holy Trinity,

Truth is.....

Trustworthy words and actions

Respect for doing the right thing

Uncovering the full picture

Telling it as it is

Having all the facts.

Roots to grow...wings to fly.

Bacup Holy Trinity Stacksteads CEPS Newsletter

Roots to grow...wings to fly.

TELL THE TRUTH!

Being Honest Makes You Strong

Truth shows courage

Truth builds trust

Truth keeps friendships strong

When You Tell the Truth...

- People can rely on you
- You feel proud inside
- Problems are solved faster
- You don't have to remember a lie
- You show respect for yourself and others

Remember:

Everyone makes mistakes—but honest hearts make things better. Always choose truth!

Safeguarding Concerns

The wellbeing of our children is of paramount importance to all staff. Should any person have a concern regarding a child's wellbeing, please inform one of the school's designated safeguarding team.

DSL Tracy Walsh, Deputy DSL Debbie Burns and Deputy DSL Abigail Gorman.
