Class News

Year 1H

The children in 1H have really enjoyed learning about the author Beatrix Potter this week. They have learnt lots of different facts about her to be able to write our own information sheet. One of the children's favourite facts is that one of her books are sold every minute!

Next week we are going to be playing some playground games from the past and present. If you can remember any games that you used to play at school please share these with your children or write them down and they can tell us all about them in class.

Year 1/2F

This week Year 1/2 have enjoyed our World Book Day celebrations. The children loved creating their own potato character based on what they dressed up as. They worked so hard to perfect their very own character and were super proud of their final products!

Year 2F

Year 2 have enjoyed writing their own chapter for the book 'The owl who was afraid of the dark'. Ask them to tell you what 'Plop' the baby barn owl was afraid of in their chapter!

Year 3

Y3 have been enjoying learning about Ancient Egypt in both English lessons and in history. We have already learnt lots of interesting facts and would like to celebrate this on Friday 27th March (the last day before Easter) with an Ancient Egypt day.

Children will need to bring a plain pillowcase, kitchen roll tube, Pringles tube and a piece of rope/string. Why not see how many facts your child can retell you at home?

Year 3
Ancient Egyptian Day
Friday 27th March

We will be making Ancient Egyptian costumes and artefacts during the day.

We will need: **a plain pillowcase, a kitchen roll tube, a pringles tube, a long piece of ribbon.**

If you can donate more than one of each item that would be very helpful!

Please come dressed in PE kit.

Thank you, Mrs Gorman & Mrs Barnes

Year 4

Year 4 started learning about electricity this week. We found out how to stay safe when using switches and electrical appliances and spotted lots of appliances around school that use electricity.

Year 5

Year 5 have had a brilliant week! We have been acting out an Oliver Twist scene, taken part in writing our very own stories for World Book Day and learnt about the differences between rich and poor Tudors. We have been busy!

Year 6

Well done Year 6 on a fantastic residential trip. Lots of lovely memories made, lots of perseverance shown and plenty of food munched! We will try to load more pictures over the weekend/throughout next week so keep an eye out on the app for those.

Well done everyone for another superb World Book Day! The children all looked amazing and their conversations about their favourite books were fantastic. The day was filled with many activities including live author visits, a premier league stars football/book quiz featuring many a famous football player, Year 6 read to 1H and 1/2F (which was wonderful to see), classroom door displays,

illustrator activities and many, many more, of which I am sure the children would love to tell you about.

TAKEHOME End of 8th Week

In the news this week

Brynteg School in Wales has said that from September, skirts will no longer be part of the school uniform. Instead, all children will wear trousers or shorts. The school says this will make the uniform more practical and fairer for everyone, but some parents and pupils have different opinions about the change. This announcement has added to discussions about school rules, fairness, and whether uniforms should be the same for all children.

Things to talk about at home ...

- Talk to someone older at home about your and their experiences of school uniform. Have they changed over time?
- Share your thoughts on the changes Brynteg School is making. Do you feel they are positive changes?
- If you could create your own uniform, what would it look like?
