Dear Parents/ Carers,

We are delighted to announce that SupaFit Sports Coaching & Education will be returning to run an after-school football club for years 1 & 2 on a Friday afternoon starting from Friday 16th January 2026.

These sessions will be led by qualified and DBS checked coaches who have had great wealth of experience both playing and coaching the game. The sessions will cover a range of skills through fun based activities, ensuring the children remain engaged and more importantly have fun whilst they learn. This will give the children an understanding of the fundamentals of how to play the game in a safe and controlled environment. The children will also participate in small sided matches and competitions throughout the term.

Football club will run from Friday 16th January – Friday 13th February 2026 3:15pm – 4:15pm

For further information and book please click on the following link and complete the registration process.

<https://supafit-sports-coaching.classforkids.io/term/65> Please note that these spaces are limited for each year group.

If you have any queries please get in touch.

Many Thanks

Steve Philpott-Petrou
