

Super Star Gymnastics at Harewood Infant School

Super Star Gymnastics will be launching a new class at Harewood Infant School on a Tuesday afterschool starting in January. The club will run after school until 4.15pm and we cater for all years.

Here at Super Star Gymnastics we differentiate for every child, hence we can cater for complete beginners right up to more experienced gymnasts. We have our own award schemes in which children learn 10 skills in order to pass their badge. We then do a certificate and badge presentation at the end of every other half term - which we welcome you to attend. The price includes a half term of lessons, their insurance and all their badges and certificates for the year. Every term the children will move up a level so the curriculum is very progressive and challenging. We work on gymnastics floor skills, as well as using lots of different equipment. Please use the link below to book, spaces are limited so early booking is advised.
