## Writing

Since starting 'I am a Clever Writer' we have seen a huge improvement in our writing across the year.

Lots of children in Y2 have earned their super pencil or pen licence this year and we are so proud of them!

This year our writing outcomes have improved since last year by 24.7%!!!

Our Star Writer wall in school has been regularly updated with fantastic work!

We can't wait to get started with our English lessons in September and start handwriting with our new Reception children.

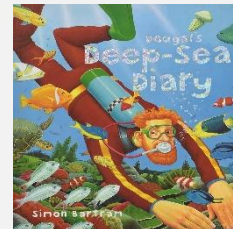

Welcome to our third and last English newsletter before Summer!

This term's newsletter includes some of Y2s favourite books this year, Summer book recommendations and a plea for donations.

## Summer Reading Recommendations

Here are a range of Summer reading recommendations from Books for topic. There are also some book recommendations for starting school / change. Hopefully you can pick some of these books up at your local library.

### Starting School / Change

### Plea!

We always have a need for donations of books so if you have any lying around at home that you no longer read please send them in.

These books will be used for our lending library at the front of school, added into the library or reading corners.

We would love to give any books a new home so if you have any donations, these are always welcome to the school office or your child's class teacher.

Thank you! :)
