Dear Parent/Carer,

Early Years Balance Bike Session – Wednesday 4th March

We are pleased to inform you that our Early Years children will be taking part in a **Balance Bike Workshop** in school on Wednesday 4th March.

This exciting session is a fantastic opportunity for the children to develop their physical skills in a fun and supportive environment. All **bikes, helmets and equipment will be provided**, so children do not need to bring anything with them.

The session will be run by an external provider and balance bike fun days are a great way for Early Years children of all abilities to develop coordination, balance and control, preparing them for a lifetime of confident cycling.

During the day, the children will take part in a small group session where they will learn basic bike handling skills including **stopping, turning and balancing**, through a range of fun games, challenges and obstacle activities.

We are asking for a **voluntary contribution of £2.50** to help cover the cost of the session. This can be paid via **ParentPay**. As always, contributions are appreciated as they help us to continue providing these valuable experiences for the children.

If you have any questions, please do not hesitate to contact the school office.

Yours sincerely,

The Early Years Team

If you are worried that a child is at risk of harm please contact Leeds Children's Social Work Services on:

0113 222 4403 or 999 if in immediate danger
