

St. Patrick's RC Primary School – Positive Behaviour Policy

At St. Patrick's RC Primary School we understand the importance of exceptional behaviour, not only for learning but for life. We believe passionately in teaching children to become respectful, tolerant and caring members of future society who can make a significant impact - not only on their own community, but also on the wider world around them.

The adults in the school

Smile
Are calm and consistent
Praise and support best behaviour
