Talbot Primary School **Anti-Bullying Policy**

This policy is based on DfE guidance “*Preventing and Tackling Bullying. Advice for headteachers, staff and governing bodies*”, October 2017

<https://www.gov.uk/government/publications/preventing-and-tackling-bullying>

Objectives of this Policy

This policy outlines what we will do to prevent and tackle bullying. The policy has been drawn up through the involvement of the whole school community and we are committed to developing an anti-bullying culture whereby no bullying, including between adults or adults and children will be tolerated.

Our school community:

- Discusses, monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports all staff to promote positive relationships to prevent bullying and will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures that children are aware that all bullying concerns will be dealt with sensitively and effectively; that children feel safe to learn; and that children abide by the anti-bullying policy.
- Reports back to parents/carers regarding their concerns on bullying and deals promptly with complaints. Parents/carers in turn, work with the school to uphold the anti-bullying policy.
- Seeks to learn from good anti-bullying practice elsewhere and utilises support from the Local Authority and other relevant organisations when appropriate

Definition of bullying

Bullying is “Behaviour by an individual or a group, usually repeated over time that intentionally hurts another individual either physically or emotionally”. (DfE “Preventing and Tackling Bullying”, March 2014)

Bullying can include: name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours. This includes the same inappropriate and harmful behaviours expressed via digital devices (cyberbullying) such as the sending of inappropriate messages by phone, text, instant messaging platforms, through websites and social media sites and apps, and sending offensive or degrading images by mobile phone or via the internet.

Forms of bullying covered by this Policy

Bullying can happen to anyone. This policy covers all types of bullying including:

- Bullying related to race, religion or culture.
- Bullying related to SEND (Special Educational Needs or Disability).
- Bullying related to appearance or physical/mental health conditions.
- Bullying related to sexual orientation and identification (homophobic bullying).
- Bullying of young carers, children in care or otherwise related to home circumstances.
- Sexist, sexual and transphobic bullying.
- Bullying via technology (cyberbullying)

Preventing, identifying and responding to bullying

The school community will:

- Create and support an inclusive environment which promotes a culture of mutual respect, consideration and care for others which will be upheld by all.
- Work with staff and outside agencies to identify all forms of prejudice-driven bullying.
- Actively provide systematic opportunities to develop children's social and emotional skills, including their resilience, in PSHE lessons and anti-bullying weeks
- Provide a range of approaches for children, staff and parents/carers to report concerns, and to access support through the website.
- Challenge practice which does not uphold the values of tolerance, non-discrimination and respect towards others.
- Consider all opportunities for addressing bullying in all forms throughout the curriculum and supported with a range of approaches such as through displays, assemblies, and the school council.
- Regularly update and evaluate our approaches to take into account the developments of technology and provide up-to-date advice and education to all members of the community regarding positive online behaviour.
- Train all staff including teaching staff, support staff (including administration staff, lunchtime support staff and site support staff) and pastoral staff to identify all forms of bullying, follow the school policy and procedures (including recording and reporting incidents).
- Proactively gather and record concerns and intelligence about bullying incidents and issues using the CPOMS child protection and safeguarding monitoring system, so as to effectively develop strategies to prevent bullying from occurring.
- Actively create "safe spaces" for vulnerable children.
- Use a variety of techniques to resolve the issues between those who bully and those who have been bullied.
- Work with other agencies and the wider school community to prevent and tackle concerns.
- Celebrate success and achievements to promote and build a positive school ethos.

Involvement of children

We will:

- Regularly canvas children and young people's views on the extent and nature of bullying.
- Ensure that all children know how to express worries and anxieties about bullying, through ongoing PSHE work.
- Ensure that all children are aware of the range of sanctions which may be applied against those engaging in bullying,
- Involve children in anti-bullying campaigns in schools and embedded messages in the wider school curriculum, including understanding the role of a bystander and strategies if they should find themselves in this position.
- Publicise the details of help lines and websites on the school website and around school.
- Offer support to children who have been bullied, and to those who are bullying, in order to address the problems they have.
- Involve children in shaping the school and class behaviour policies, including sanctions and rewards, to create an ethos of positive behaviour and respect.
- Openly discuss differences between people that could motivate bullying, such as religion, ethnicity, disability, gender, sexuality or appearance related difference, at an age appropriate level, to increase understanding and prevent discrimination.

Liaison with parents and carers

We will:

- Make sure that key information including policies about bullying is available to parents/carers on the school website.
- Ensure that all parents/carers know who to contact if they are worried about bullying.
- Ensure all parents/carers know about our complaints procedure and how to use it effectively.

- Ensure all parents/carers know where to access independent advice about bullying.
