

## REPORTS

Today, your child will be bringing their end-of-year reports home. The teachers have worked hard to write these and we hope you enjoy reading them. There is a covering letter that explains some of the terminology. The children have been given a clear instruction that the reports should reach you unopened.

## PARENT/CARER DROP-IN OPPORTUNITY

Although we don't have a formal parents' evening this term, we do offer you the opportunity to come and chat to your child's teacher on Monday 14th July at the end of the school day. Teachers will be in their classes until 4.30pm that day and you are welcome to come in and have an informal chat with them. This is for brief chats only - if you want a longer talk, please request an appointment via ClassDojo. Prior to that, are sending home most of their exercise books today. We hope you enjoy looking through them.

## LAST DAY OF TERM

Friday 18th July is the last day of term for children and it will be a non-uniform day. However, as usual, we are offering the opportunity for you to collect your child at 1.10pm that day. Don't worry if you can't do that - school will remain open until 3.20pm as usual. If your child is in Year 5 or Year 6 and you would like them to go home alone at 1.10pm, please email Mrs Wall: [l.wall@beechesjnr.bham.sch.uk](mailto:l.wall@beechesjnr.bham.sch.uk). If we do not have a written request, we will not let your child go home alone at the earlier time. Please note that you can collect your child at 1.10pm or 3.20pm but not in-between. Thank you for your co-operation.

## EVACUATION

A further follow-up to last week's evacuation:

We are extremely grateful for your support and the promptness with which most of you collected your children at such short notice. It really helped us to manage the situation. We hope not to be in that situation again but if we are, there are two things we would like to request please:

- When we are evacuating, please let us get to our safe place with all the children before you take your child. We had a few people ask to take their child while we were walking up. When we are on our way, our total focus needs to be on keeping the children safe.
- We have heard reports of parents/carers from some of the schools posting the children's location on social media. In the unlikely event of someone wanting to harm us, posting the children's location could put your child at risk. If you are passing information on to another parent/carers, please do so privately.

Many thanks for your support.

## THE BOOK BUS

We have really enjoyed having the Book Bus with us today - it is always good to see the children excited about books! Even better - thanks to their purchases, our school will

receive lots of new books from the company. Here are some happy staff, excited about the new books!

## 'MEET THE TEACHER' MEETINGS

At the start of next term we would like to give you the opportunity to come into school to meet your child's new teachers and receive some key information for the year ahead. The meetings will last about 30 minutes and will take place on the following dates, all with a 9.00am start:

Tuesday 9th September: Year 5

Wednesday 10th September: Year 3

Thursday 11th September: Year 6

Tuesday 16th September: Year 4

## YEAR 6 PHOTO OPPORTUNITY

On Thursday, Year 6 will be given the opportunity to go onto the field to take photos with each other. If you would like your child to have this opportunity, please make sure they have a camera or a camera phone with them. This is the one time they will be allowed to use their phones in school time! However, they must only use them for the purpose of taking photos to keep as memories and if they misuse their phones, they will be confiscated. Please note that photos must not be posted on social media unless you have the consent of the parents/carers of all the children on the photo and also note that school cannot accept responsibility for any loss or damage to items. If you do not consent to your child taking part, please contact their teacher and we will keep them inside at this time.

## TEAM TREAT

Huge congratulations to Team Lewis who have won this term's team treat! They will enjoy inflatables on the field next Tuesday. It's a big turnaround from Team Lewis as they came 4th in the autumn term - it just proves that whatever has happened in the past, even if you have failed at something, you can still turn it round and become successful.

## BEECHES BUSY KIDS CLUB

Due to rising costs, Beeches Busy Kids Club prices will be rising by 50p per session from September. The new fees will be £5.50 for before school and £11 for after school.
