

Willow Class Update

25 March 2026

Dear parents and carers,

Thank you for your support over the last two weeks while Miss Packer has not been with us in school. We are sad to report that there has been a bereavement in her very close family. I am sure you will join me in sending your very best wishes to Miss Packer and her family. We look forward to having her back in class after the Easter break.

Willow Class have been very well supported during this time of absence with the class being covered by familiar faces. Mrs Beaton and Mr Allen have made sure things are running as smoothly as possible, but we do know that even with familiar faces, it can be a little unsettling for us all. We are very proud of how well all the children have kept to their routines as much as possible.

Thank you again for your support during this challenging time.

Best wishes

Rachel Bradley-McKay

Headteacher

Andoversford Primary School
