Catholic Life and RE - 'Building the Kingdom!'

This week's Mission:

Holy Week

In this last week of term, we remembered Holy Week. We walked with Jesus as we recalled the final days of His life. We had an assembly every day and each year group led us in a different event.

YR and Y1 reflected on how it begins with Jesus' triumphal entry into Jerusalem on Palm Sunday, singing 'Hosanna, King of Kings' and waving palms. Then Jesus directing the Disciples to set up the upper room ready for the Last Supper.

Y2 reflected on Tuesday when Jesus got angry and cleared out the sellers in the temple. The Scribes and the pharisees did not like this. They wanted him to die and plotted against him. Then on to Spy Wednesday when Judas Iscariot decides to betray Jesus for 30 pieces of silver.

Y3 led us through Maundy Thursday where Jesus washed the Disciples feet, then sat down with them to break the bread and drink the wine.

Y4 took us to the Garden of Gethsemane and reminded us that Jesus prayed the Lord's prayer - the 'Our Father' for the first time while the Disciples fell asleep. They then acted out Judas betraying Jesus with a Kiss and his arrest.

Y5N led us in a beautiful Mass with a reflection on Holy week

Y5CW ended our week with Good Friday when the children led us reverently and beautifully in a dramatisation of the Stations of the Cross from Mary's story. It was a very moving experience for all the children. We now look forward to the joy of the Resurrection on Easter Sunday.

Mousike Ensemble

On Monday 18th March, Holy Family hosted this year's Mousike Ensemble. The schools that attended were St, Osburg's, Our Lady of the Assumption and St Thomas More. The children all

performed brilliantly, particularly the school showcases. Our staff were very impressed with the behavior of all children, and our children were fantastic hosts. Thank to Mrs Corr Wilson for leading and being a fabulous host!

Down syndrome Day

On Thursday 21st March, Holy Family School held an odd sock day to join in with DSUK's Sunflower Challenge for World Down Syndrome Day 2024! It has been lovely to see so many children be involved.

In Nursery the children learned that just like sunflowers, every child grows and blooms uniquely and even though our socks were odd, they could still be together, just like us with our friends. At the start of March, the children in Nursery planted sunflower seeds as a beautiful metaphor for the diversity and individuality that makes each child special. The children have looked after them, giving them everything they need to grow, observing them as they blossomed uniquely. To mark the end of our month of awareness, we brought our sunflowers home on World Down Syndrome Day and celebrated raising awareness for our beautiful friend Connie. Thank you to all of our families for their support and donations, we had a fun filled day and raised money for a charity very close to our hearts.

Gates opening

Please can we remind Y6 parents that the gates open at 8.30am, there have been some children being dropped to the school gate area earlier than the gate opens. This is concerning as the children are left unsupervised outside.

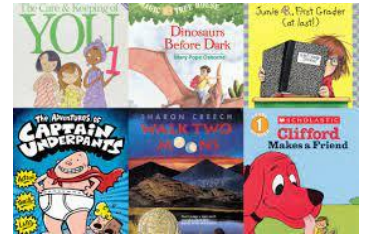

Easter Raffle

Thank you to our PTA who made up this fabulous Easter hamper to raffle and to Jan for giving up her time to sell the tickets outside in the Morning & Afternoon. We drew the winning ticket in our End of Term Assembly on Thursday and the winning ticket belonged to the parents of Henry & Millie May Hobbis. We raised a fantastic amount of £73.50. Thank you all for your support.

Scholastic Books

Book Club leaflets have gone home today if you would like to purchase your child/ren any books in the Easter Holiday. Please click this link <https://schools.scholastic.co.uk/holy-family-cv6/digital-book-club> - a group order for Holy Family is already set up. Online orders only as we are a cashless school closing date is 22nd April any orders will be delivered to school 2-3 working days after the order is confirmed.

Drama Club

Well, done to the children who put on a performance for their parents on Monday evening, we are delighted that Holy Family School has brilliant actors in the making.

A message from the School Council **MAD HAIR DAY**

As representatives of the school council, we would like to bring to your attention an issue that has been affecting our learning environments at school. During our recent meetings, we have discussed the need for new blinds in our classrooms as the current ones are no longer functional and are hindering our ability to see our interactive white boards. This makes it difficult for us to follow along and complete our work and has become a daily frustration to us, especially when it is a sunny day. As a school, we strive for excellence, and we believe that it is crucial to achieve our goal to replace the blinds. Y4 have started collecting quotes and so far, we have been quoted between £1000 and £1700 PER CLASSROOM (and we have at least 6 classrooms in urgent need). We understand that this is a significant amount and that the school budget will not stretch this far so we have decided to take matters into our own hands and raise funds for the blinds ourselves.

Our first fundraising day is a **MAD HAIR DAY** on **Monday 15th April**. We are asking for a minimum of £2 per pupil for this, however we understand that these are challenging times therefore any contribution would be highly appreciated.

Mrs Twycross would like to add that if any of our parents works for a company that could match fund any money that we raise, please contact the office and let them know.

Thank you for taking the time to read this.

Please see attached poster if your child would like to take part in CBeebies show, that is what hobbies they have outside of school.

Netball Update

This week we had a netball double-whammy! On Monday we played St Osburg's. We were unfortunately one player down at the start of the game, but we didn't let that stop us! St Osburg's took an early lead, but we came back strong and with two hattricks from Holly and Dian we managed to gain a 6-2 lead. In the last quarter we lost another player to injury but continued to play excellently against a very strong St Osburg's team. The final score was 7-2 to Holy Family with Holly receiving opposition's player of the match.

We then took on St Augustine's on Thursday. Again, St Augustine's had a strong start, taking the first goal of the match. However, once we got going we were able to play some strong attacking moves and were able to take the lead to 8-1 after more hattricks from Jimmy and Holly, supported by a goal from Julia. St Augustine's didn't give up though and kept us on our toes with great attacking play of their own. However, we were able to utilize our defensive skills and get the ball back into our possession, with further goals from Darcie, Jimmy and Emily. We ended the game 15-1 and Darce was awarded the opposition's player of the match.

School Food Ordering NEW Summer Term Menus

Please see attached posters for our New Summer Term Menus that we will now have until the end of the summer term. [Or click this link](#)

Please remember to order your child's meals on **Sunday evening for the week**. Again, this week the office had to chase parents to remind them to order their child's meal choice. If children's school meals are not ordered, this will result in your child not being able to have their food choice. **If your child has an allergy and they are having school meals the office staff will have contacted you regarding your child's menu.**

Music Appreciation

This week's music appreciation is from MC Hammer who is an American rapper, dancer, record producer and entrepreneur. Known for hit songs such as "U Can't Touch This", "2 Legit 2 Quit" and "Pumps and a Bump", flashy dance movements, extravagant choreography, and his outrageous Hammer pants.

Have a lovely Easter Holiday with your families.

We will see you all on Tuesday 9th April.

Dear Sirs

Re: Appledown Gate Phase 2, Tamworth Road, Keresley, Coventry CV7 8JG

We seek to work in conjunction with the local communities in which we operate and endeavour to gain their support in respect of our development operations. As we are due to commence construction work at the above site, we wish to emphasise that the work will include excavations and other operations of a nature whereby children playing on or around the site could be injured.

Due to the inherent dangers associated with construction sites, warning notices will be placed around the site and security fencing will fully enclose any dangerous activity. We do not allow children or anybody else at any time to come onto the site for play or any other purpose not connected with the company's operations.

This letter is written to enlist your support and co-operation in attempt to prevent the possibility of accidents to children arising out of their unauthorised presence on site. We encourage local authorities to alert schools in the vicinity of our developments to the possible dangers and obtain their co-operation in keeping school children away from the site. Where appropriate, we would be pleased to visit the local schools and speak to the children or arrange for a visit to the site.

Phase 1 site occupation commenced on 6 July 2020 and phase 2 commenced on 4 March 2024 which will continue for approximately 3 years. Our Site Manager for the development will be Julian Foster and any communication regarding the aforementioned should be addressed to him in the first instance.
