Attendance Policy

Attendance Policy

Rationale

Excellent education is vital to the lives of all children and to our society as a whole. Whilst it is known that the life chances of children may not be equal from the outset of their lives for various reasons, education can help to redress this imbalance and help to ensure that every child has the chance to fulfil their potential.

Regular attendance is an essential foundation of raising pupil attainment. Absence from school can seriously disrupt pupils' continuity of learning. Not only do they miss out on taught lessons, but many children find it difficult to catch up academically and socially when they return to school.

95% attendance equates to half a day off every two weeks for a whole year

90% attendance equates to a day off every two weeks for a whole year

85% attendance equates to one and a half days off every two weeks for a whole year

80% attendance equates to one whole day off every week for a whole year

Poor or irregular attendance places children at risk, can contribute to contextual safeguarding and welfare concerns and in some cases can result in them being drawn into patterns of anti-social or criminal behaviour and exposure to exploitation.

Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending school.

Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)

School Procedures

Attendance register

By law, all schools (except those where all pupils are boarders) are required to keep an attendance register, and all pupils must be placed on this register.

The attendance register will be taken at the start of the first session of each school day and at the beginning of the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

Every entry in the attendance register will be preserved for 6 years after the date on which the entry was made.

Pupils must arrive in school at 8.45am on each school day to take part in learning activities in the classroom.

The register for the first session will be taken at 9am and will be kept open until 9.15am. The register for the second session will be taken at 1pm and will be kept open until 1.05pm.

Attendance Policy – SO – July 2024 Review Due July 2026

Unplanned Absence

Parents must notify the school on the first day of an unplanned absence – for example, if their child is unable to attend due to ill health – by 9am or as soon as practically possible (see also section 6). We have a dedicated phone line for absences and our Parent Mail system also allows message notifications. We need to know why a pupil is absent so that the correct absence code can be entered into the register. As part of our safeguarding procedures, the school office will endeavor to contact a parent, carer or other emergency contact if no message regarding absence has been received by 9.30am.

If a child is absent for more than three consecutive days, parents must provide a written explanation or speak with the Attendance Officer or Headteacher directly, detailing the reason for absence.

If a child is likely to be absent for more than five days, following surgery for example, then the parent must provide a copy of the hospital letter for our file. This is required so that we input the correct absence code, and should an Education Welfare Officer wish to inspect our registers or practices.

Absence due to illness will be authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask parents to provide medical evidence, such as a prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

Where a pupil has been absent due to vomiting and/ or diarrhea, they should not return to school for 48 hours following the last bout of illness. This follows the advice given by the Health Protection Agency (HPA) and is given in order to reduce the risk of infection to other pupils or adults in school.

Planned absence

Medical or dental appointments

Missing registration for a medical or dental appointment is counted as an authorised absence; advance notice is required for authorising these absences.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Lateness and punctuality

A pupil who arrives late but before the register has closed will be marked as late, using the appropriate code.

A pupil who arrives after the register has closed (after 9.15am) will be marked as absent, using the appropriate code. If a child arrives after the register has closed, this is marked as a half day unauthorised absence.

Persistent lateness will be monitored and a letter will be sent outlining the importance of attending school on time, EVERY DAY. Regular lateness can be as detrimental to a pupil's learning as absence as it can affect self-esteem, confidence and relationship building.

Following up absence

The school will follow up any absences to ascertain the reason, ensure proper safeguarding action is taken where necessary, identify whether the absence is approved or not and identify the correct attendance code to use.

Reporting to Parents

Attendance is reported to parents and carers in the annual report in March, as well as in the data report sent in July.

Authorised and Unauthorised Absence

Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

The statutory guidance states, 'The DFE does not consider a need or desire for a holiday or other absence for the purpose of leisure and recreation to be an exceptional circumstance.' **We will not authorise absence for a holiday.**

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 6 weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office. The headteacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)

- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty Notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or

exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence (both parents if a child lives with them).

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under section 7 of the Education Act 1996
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

Attendance Monitoring

Monitoring Attendance

The Designated Person for Attendance monitors pupil absence on a weekly basis. If a pupil's absence goes above 5 days (10 sessions) we will contact the parents to discuss the reasons for this. At the end of each school term, parents of children with less than 96% attendance will receive

a letter. The letter will state the current % attendance for the child and also offer support is necessary.

If after contacting parents a pupil's absence continues to rise, we will consider:

- Involving an Education Welfare Officer (EWO)
- Home visits
- Multi-agency meetings
- Sign-posting to supportive agencies e.g. Child and Adolescent Mental Health Services (CAMHS)

The persistent absence threshold is 10%. If a pupil's individual overall absence rate is greater than or equal to 10%, the pupil will be classified as a persistent absentee.

If after contacting a child's parents, their attendance continues to decrease or falls below 90%, parents/ carers will be asked to come in for a School Attendance Meeting (SAM). If the parents/ carers do not attend the meeting, it will still go ahead and will be minuted. At this meeting, targets will be set and a School Attendance Review Meeting (SARM) will be arranged for two weeks later. If at the SARM the child's attendance has not improved or if it has gone down further, a referral will be made to the Education Welfare Officer who will then arrange a further meeting with parents/ carers.

Pupil-level absence data is collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. We compare our attendance data to the national average, and share this with governors.

Class-teachers complete a register manually and this is then entered into our School Information Management System (SIMS) by the Attendance Officer/ Admin Officer. Attendance data is confidential and is used for monitoring purposes within school as well as by the Local Authority, and at a national level.

In school, we use the attendance data in order to monitor individuals, groups (including classes), and also the whole school. Attendance data is key in helping us to plan for intervention both within school and also by outside agencies.

Reducing Persistent and Severe Absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school

- Listen, and understand barriers to attendance
- Explain the help that is available
- Explain the potential consequences of, and sanctions for, persistent and severe absence
- Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary

Analysing Attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

Using Data to Improve Attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severed absence, and their families (see section below)
- Provide regular attendance reports to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinator, designated safeguarding leads and pupil premium lead)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

Children Missing in Education (CME)

If families move away from the area, or wish to transfer their child to another school, the Head teacher must be informed in writing. The Head teacher may also need to complete a section of the application form for your child's new school. We are unable to take a child off of our school roll until we have been notified that a new school place has been offered and accepted, and the child has started to attend. Children who stop attending school and who cannot be traced, cannot be removed from our school roll. We are required to report to them to the Local Authority Attendance Service, where Local Authority guidance will be followed for 'Children Missing In Education'.

Monitoring Arrangements

This policy will be reviewed every two years by the Designated Senior Leader Responsible for Attendance. At every review, the policy will be shared with the Governing Body.
