

Headteacher Comment

Well done to the KS1 and KS2 children who have taken part in our Sports Events over the past couple of days ! Lots of fun was had and it was great to see so many children trying their best we definitely have some talented athletes ! All the points from EYFS, KS1 and KS2 have been added together and the winning team are **MARS**, Congratulations to them all. Thank you to all the parents/carers who came it was lovely to see so many faces and so many of you taking part in the adult race at the end!

Mrs Addy organised another successful Careers Fayre for the Year 5 and 6 children and again we had so many companies attending, the children really enjoyed it and they certainly asked some great questions and have lots of great ideas for what they may want to do when they get older.

This week has been assessment week and the children have been working really hard in class to complete their tests to the very best of their ability again showing determination and perseverance.

Our first transition event has taken place so all the children have now met their new teachers, we have 2 more sessions booked in so its really important that the children are in school on time so they don't miss out.

We only have 2 weeks left in school, we have so many exciting events taking place including 'Hillside's Got Talent' the children have been practising and so it's going to be a close competition. Have a lovely weekend and we'll see you at 8:40am on Monday.
