Monday 22nd June – Hammerhead Class Forest School

Tuesday 23rd June – Pufferfish and Seahorse class' swimming lessons

Wednesday 24th June – Piranha Class Forest School

Thursday 25th June – Transition morning

Dear Parents/Carers,

Transitions

Pupils moving up from Seahorse to Hammerhead have responded well to paired transitions this week, we are really proud of their engagement in the learning and their resilience as this is a big step up. Next Thursday 25th June all pupils will spend the morning in the class they will be in for September with the staffing in place too. This whole-school transition is the first of 3 taster opportunities for pupils. It will support the pupils to get to know staff/pupils as there are some changes in both respects. As shared last week, all teachers will be remaining in their current classes. The transitions are also helpful for staff to assess how each pupil has managed the transition to inform any further support etc.

PAWS

Beanie had a good visit from PAWS this week they were impressed with his training. He is making good progress and will have a mock assessment in September. Beanie has been supporting a variety of pupils and we look forward to him engaging with the PAWS activities with others too moving forwards.

Amber Weather Alert

We wanted to draw your attention to the amber weather alert for extreme heat on Monday/Tuesday. The temperatures look set to be high til at least Friday. We will be supporting the pupils to stay cool with the blinds down, fans on and jugs of water at the ready to re-fill water bottles. Please support us to support your child by ensuring

they bring in their water bottle and dress appropriately – coats will not be needed and school t shirts (Puffer to Hammerheads) are much better than jumpers/hoodies. Please can children come to school with sun cream on and we can top up during the day as needed. There are shaded areas in the garden.

Best Wishes

Sam Norton

Headteacher

School Values Awards

Puffer fish – TR – Resilience – for using words to express emotions and helping others to do the same.

Seahorse – LHT – Resilience – For swimming for 18 seconds underwater and completing a lap in 33 seconds

Hammerhead – .IK – Curiosity – for engaging with work and improving his attitude to learning this week.

Piranha – SS – Co-operation – for being kind, considerate and helpful in class.
