

Pupil premium strategy statement – Beckermeth Church of England Primary School

This statement details our school's use of pupil premium (and recovery premium for the 2023 to 2024 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	Beckermeth Church of England Primary School
Number of pupils in school	75
Proportion (%) of pupil premium eligible pupils	6.6%
Academic year/years that our current pupil premium strategy plan covers (3 year plans are recommended)	2023-2024
Date this statement was published	1 st December 2023
Date on which it will be reviewed	1 st December 2024
Statement authorised by	C Birkett
Pupil premium lead	C Birkett
Governor / Trustee lead	J Harrison

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£5370
Recovery premium funding allocation this academic year	£0
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year	£5370

Part A: Pupil premium strategy plan

Statement of intent

At Beckermat Primary School we believe that every child should have the opportunity "To Let their Light Shine" irrespective of any challenges that they may face allowing them to flourish and grow as healthy, positive members of the community.

Disadvantage should not be a barrier to personal and academic success.

At Beckermat school we aim to support our children and families to overcome any obstacles so that our children can achieve personal and academic success through quality provision and tailored support.

To allow this we endeavour to include all stakeholders in the process. Homes-school-community. Allowing all children to achieve their best and make good progress.

Our key principles are to provide high quality education which is challenging and supportive from highly trained adults who can support with precision. The support will come in a range of ways:

- provide emotional and wellbeing support to ensure disadvantaged pupils are in a good place to learn and feel safe, happy and calm where their needs are understood and provided for*
- Teachers developing their classroom practice through a deep understanding of researched based teaching principles which will increase the provision for all, but in particular those who need support*
- Teaching Assistant precision intervention for emotional support (ELSA, Draw and Talk, Sand Play, Lego Therapy)*
- Teaching Assistant CPD -ELSA – to support the emotional wellbeing of targeted children*
- Specialist counselling and support for children with greater emotional needs*
- Additional hours of TA support to deliver interventions*
- Early identification and intervention*

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Some children demonstrate gaps in knowledge, skills and understanding. This is due to many reasons: concentration, working

	memory due to lockdown
2	Social and emotional well being of some of vulnerable and disadvantaged children lack confidence, motivation and resilience to learning. Complex family situations sometimes lead to child not being ready to learn.
3	Gaps in learning due to pandemic – opportunities for longer pieces of writing and problem solving and practical maths activities
4	Attendance of disadvantage and vulnerable
5	High quality CPD
6	

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Teaching across school to have a high level of consistency in relation to strategies that support effective learning. These will be employed by staff who have developed understanding of why they are required and how to implement them. Consequently knowledge is embedded for long term learning.	<ul style="list-style-type: none"> • Continuous staff CPD – • Monitoring and coaching opportunities -inhouse and within partnership • Opportunities for reflecting on past learning and building on new • Pupils learn new material and retain is over the long-term. • Lessons engage pupils and support their confidence through a high success rate and clear small steps building their understanding systematically.
Children who demonstrate gaps in learning will be supported through effective adult support and targeted intervention to enhance quality learning and teaching so they can make swift progress. Specific skills will be targeted with good communication, assessing progress consistently throughout the intervention and adapting where needed	<ul style="list-style-type: none"> • Effective use of assessment to identify gaps in particular children and set targets to achieve and make progress • High quality targeted support 1-2-1/small group interventions • Parental commitment to additional hours of learning/intervention groups • Skills learned in groups to be applied when back in classroom • Clear and ambitious curriculum building on learning and knowledge • Pupils will make good progress
Children will display high levels of fluency in relation to basic skills in mathematics. They will be able to recall basic concepts and knowledge with increasing confidence	<ul style="list-style-type: none"> • Mastery teaching will build pupils conceptual understanding and fluency through carefully structured learning programmes. • Precision teaching to target basic

	<p>skills in maths</p> <ul style="list-style-type: none"> • Use of Whizz Maths/Quizzes/Daily activities to show retention of math skills • High expectations of all children
The attendance of PP and vulnerable children will be in line with the national average	<ul style="list-style-type: none"> • Monitoring of attendance, exploring trends • Good communication home school • Support families engage other agencies if necessary • Clear messaging through classdojo/website and discussion • Use of external agency advice to support
Children to have a safe place/person to share worries and concerns with. To engage other agencies to support in emotional well being and staff to be suitably trained in supporting children with emotional well being	<ul style="list-style-type: none"> • High quality staff training (ELSA/Behaviour training) • Engagement of other agencies • Timetabled small group /1-2-1 interventions • Worry Monsters/reflection pods developed in class
Have termly meetings with parents to support engagement in expectations and learning in school	<ul style="list-style-type: none"> • Timetabled meetings to engage parents in learning and expectations • Regular updates via classdojo to further develop parental communication
Pupils in Early Years will have constant opportunities to develop their communication and will speak with developing confidence, accuracy and clarity in various contexts	<p>Staff will model effective communication.</p> <ul style="list-style-type: none"> • Teaching will provide quality opportunities to model and scaffold accurate communication. • Use of books to support the delivery of the curriculum will focus on vocabulary and language development. • Interventions will emphasise language development regardless of the subject. • Phonics teaching will be effective in developing pupils' ability to read with clarity <p>Targeted TA support</p>

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £ 3000

Activity	Evidence that supports this approach	Challenge number(s) addressed
CPD – Provide training for teachers regarding research-based pedagogy so that they can identify gaps in learning and develop their expertise in teaching and learning	Quality first teaching supports all learners to make effective progress. “Supporting high quality teaching is pivotal in improving children’s outcomes. Indeed, research tells us that high quality teaching can narrow the disadvantage gap.” Effective Professional Development EEF (educationendowmentfoundation.org.uk)	5
<i>Additional TA hours to support delivery of high quality 1-2-1 or small group support and interventions across school and support higher needs chn</i>	HLTA and TA to be used to help pupils develop independent study skills and given direction to deliver high-quality one-to-one and small-group support. Teaching Assistant Interventions EEF (educationendowmentfoundation.org.uk)	1 2 3

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £ 2370

Activity	Evidence that supports this approach	Challenge number(s) addressed
Deployment of support staff to target individuals	2. Targeted academic support EEF (educationendowmentfoundation.org.uk) 1-2-1 tuition can be effective, accelerating learning	1 2 3

<i>Additional phonic and precision maths teaching</i>	2. Targeted academic support EEF (educationendowmentfoundation.org.uk) 1-2-1 tuition can be effective, accelerating learning	12 3
<i>Targeted social and emotional well being groups -Draw and Talk/Lego Therapy/Sand Play</i>	Targeted support for specific individuals and families EEF_Social_and_Emotional_Learning.pdf (educationendowmentfoundation.org.uk)	2

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £ 0

Activity	Evidence that supports this approach	Challenge number(s) addressed
<i>Trained staff to deliver high quality emotional support</i>	EEF_Social_and_Emotional_Learning.pdf (educationendowmentfoundation.org.uk)	5
<i>Work closely with families and other agencies to support those who have attendance/punctuality issues</i>	Attendance-REA-protocol-21092021.pdf (d2tic4wvo1iusb.cloudfront.net) Improving school attendance: support for schools and local authorities - GOV.UK (www.gov.uk)	4
<i>Embed morning routines in class of wellbeing – sharing/working as part of a team/resilience</i>	Life skills and enrichment EEF (educationendowmentfoundation.org.uk)	,4,5,2

Total budgeted cost: £5370

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2022 to 2023 academic year.

The last few years have been a great challenge for all schools as COVID continued to impact the operation in schools

Accessing training for staff was essential and effective in delivering high quality focused interventions such as ELSA.

Early support accessing other agencies were essential to complimenting the range of interventions and support going on in school.

Staff, families and children were given training on new maths intervention via zoom. All children timetabled effective use of Whizz Maths which pupil feedback is positive and data shows gaps in learning being filled particularly in mental maths.

Good communication with parents to support with attendance and support from other agencies.

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England

Programme	Provider
ELSA	County Council Ed Psych provided training
Draw and Talk	Draw and Talk
Lego Therapy	Leho Therapy
