

LIVE LENT

Embracing JUSTICE

Dear Parents and Carers

During Lent we prepare to celebrate Easter. This Lent at Beckermert School we want to continue our journey of making a difference and bringing about a change to our world. The Archbishop Justin Welby and Archbishop Stephen Cottrell have asked for us to “travel together towards God’s promised world, one where justice and mercy reign. This Lent we reflect on the injustices of the world and ask what can we do about it.”

Throughout Lent we will be working together to support our school community, local community and global community. We stand together for peace and equality.

**food
bank**

We ask for you to again help us support our local charity – Foodbank in collecting Easter Eggs and spreading some love to those in our communities who are facing challenging times. Please bring any Easter Egg donations into school over the next few weeks.

As part of our challenge to support our environment we would like to set the children a challenge of planting a plant in something recyclable. This could be a plastic yoghurt pot, an old wellington boot, an old toy.....the list is endless.

Easter wouldn't be Easter without making an Easter hard boiled egg. We would like to invite the children to be as creative as possible and create a hard boiled egg which they must bring into school (already decorated). We will display them and judge them on Tuesday 29th March

Alongside the eggs we would also invite the children to create an Easter bonnet. These will be paraded at our celebration assembly on Thursday 31st March.

The children will also be leading us in our final week of preparation for Easter retelling the stories of Holy Week.

Tuesday 29 th March	Y2 (Palm Sunday)
Wednesday 30 th March	Y1/Rec (Washing of the Feet)
Thursday 31 st March	Y3/4 (Last Supper)
Friday 1 st April	Y5/6 (Crucifixion)

School closes at 1.15pm (KS1) 1:25 (KS2) on Friday 1st April and reopens Wednesday 20th April 2022.

Many Thanks

C Birkett
