March

Welcome to the first edition of the Friends of Beckermat School Newsletter. Following our meeting on Thursday 25th March we decided to share our behind the scenes working to enable us to raise funds for our school. We hope in the not too distant future we can start to organise events that can be attended in school again, like Discos, Film nights, Fairs and another Big Beckermat Sleepover.

In December we became a registered charity opening the doors to more fundraising opportunities. Current application considerations for funding: LLWR's Community Investment Fund and the Coop Community Fund when applications open

Thank you for all your support so far, The Friends of Beckermat Team.
