Newsletter

"Learners today, leaders tomorrow"

Issue 7

Hello there!

My, my, another week has passed in a flurry of activity!

Next week, we will add all the house points together for this half term and the winning house for the half term will vote for their reward for their efforts. Will it be **Green**, **Blue**, **Yellow** or **Red**?

The Office Email Address is Office@tlptrust.co.uk
Please contact the office in the first instance and your email will be directed to the person you wish to speak to.

Upcoming Dates

Overall attendance:97.9% (0.0%) Same as last week			
Year 1	97.3% (+0.3%)	Year 4	98.5% (0.0%)
Year 2	97.2% (-0.3%)	Year 5	98.5%(-0.4%)
Year 3	98.0% (+0.3%)	Year 6	97.4% (+0.2%)

Thank you for your continued support in ensuring that your child attends school regularly. From last year, the Department For Education (DFE) introduced a new National Framework which all schools in England MUST follow. In summary:

- Term time holidays will not be authorised, except in exceptional circumstances.
- Penalty Notices will be considered for any pupil with 10 sessions (5 days) of unauthorized absence within a rolling 10 school week period. This includes any type of unauthorised absence, such as lateness or unapproved holidays.
- Fines: The first penalty notice is up to £160 per pupil per parent. A second offence in 3 years will be £160. After two penalty notices the school must consider other intervention.

Our HEATH value was **Ambition** this week. We are relaunching our School Council and have asked the children if they would like to be school councillors.

They will have to prepare a one-minute speech describing why they would be a good school councillor.

Well done to the children who showed the value of **Ambition**. Some children have been ambitious by working hard and setting themselves higher standards, some have been writing speeches to be school councillors, some children are taking greater responsibility for themselves.

Parents Evening this week

We are looking forward to welcoming you to Parents Evening. It is a chance to have a chat with the class teacher about your child's progress and what they are both good at and need help with. Please sign up.

Please come into the hall to check **Lost Property**. We have a heap of unlabelled items that you need to claim. After this time, it will be bagged up, washed and will become pre-loved and put on sale for next time. We also have some **pre-loved items** for you to buy for a small donation.

Stir Foods will be there for grown-ups to taste some items from the new caterer, so you can taste what your child is eating!

You will also have the chance to take a **TimesTables Rockstars** test and see how quickly you need to answer the questions!

Smartphone Free childhood will also be in the hall to share information with you. Come and meet Jenny!

On Wednesday, Y6 were lucky enough to receive a CPR refresher course from two lovely volunteers from the British Heart Foundation. The children were fully engaged and thoroughly enjoy the session (singing to the beat of 'Staying Alive' to get the rhythm for their chest compressions).

Reception have been making potions whilst strengthening their hand muscles

Smartphone Free Childhood

118 people have filled in the survey so far!

Please fill in this survey about your child's use of Smartphones. It is very much a hot topic and one which we have to navigate together.

<https://docs.google.com/forms/d/e/1FAIpQLSfEclTCTcvLx61XB6F6tZAKHRzuou1HINhU2sToQ9PXTqX2Qg/viewform?usp=dialog>

Year 5 have been carrying on examining the solar system. This young lady even made her own light up version at home to share with the class!

Very ambitious!

Year 2 have been learning about habitats and microhabitats in science. We explored the microhabitats within our school grounds to see what animals we could find. We then discussed the conditions in the microhabitats and how these support the animal's chance of survival.

Thank you, thank you, thank you!-Today we took all the amazing foods and toiletries that you donated to the Community Supermarket which comes to Hatfield Heath Village Hall . Kate at the supermarket was overwhelmed with your kindness. Our House Captains packed up and carried the food to the village hall.

Reminders and requests

Do you have any spare underwear, socks or tights that your child may have grown out of as they are needed in Reception and Year 1?

Reminder: If your child has been sick or had diarrhoea- then they must be at home for 48 hours to reduce the spread of illness across the class.

Please remove earrings before P.E. lessons. Teachers are not allowed to remove earrings for your child.

Label your child's clothing! We now have a full red box of lost property without any labels on. This will be put out at parents evening.
