

Thank you to all parents who have made online donations for the Readathon which took place last week. Your generosity is greatly appreciated and will have a positive impact on children in hospital who will have more access to books.

We hope our Readathon has inspired more children to read and they have (re)discovered the joy of reading and will now make it part of their daily lives.

We hope you will continue to encourage your child to read as much as possible BECAUSE.....

WARNING!
Books can
seriously
change
your life!
