

**River fact File:**

In the half term holiday, I would like you to research a world river and complete a detailed fact file about it. Please complete on lined paper or you can type on the computer and print, use subheadings and please present it well. Include pictures.

Your fact file should also include this information: **Name of the River**

- Where is it?
- Where is the source and mouth?
- What countries and landscape does it flow through?
- What settlements are along it?
- What is it used for? Transport of people and/or goods, irrigation, water supply, religious ceremonies, tourism?
- Does it flood? Is this controlled?
- How has it changed through time?
- Other Interesting facts.
