

# Spring Half Term Events Newsletter from Brent Libraries

## Date 9 February 2026

### Hello Parents and Carers

Here is your School Newsletter from Brent Libraries for the Spring half term 2026. We have many exciting FREE events coming up for your children. Have a look below to see which events you would like to come to. Some events require booking, all details are below.

#### Ealing Road Library

##### **Ealing Road Library STEM Club**

**Wednesdays 4 – 5.30pm**

28 January, 25 February, 25 March, 29 April

Science, Technology, engineering and mathematics workshops for children aged 8-11.

Advanced booking required at <https://tinyurl.com/jjhjrrzs>

##### **Build and Code: Robotics Workshops**

**Saturdays: 14, 21, 28 February, 7 March**

**2.30 - 4.30pm Ages 8 – 11 only**

Join us for a fun and creative workshop where children build their own LEGO robots completely from scratch, with no instructions! Using motors, sensors, and simple coding, they'll bring their creations to life and explore real STEM skills in a fun, creative way. No experience needed!

##### **Booking essential**

<https://forms.office.com/e/MG7i2XPZxi>

##### **Beezee Families: Portion Patrol: Mission Nutrition!**

**Monday 16 February**

**12noon – 1pm**

Join us for a fun, interactive session where families learn how to serve smarter, eat better, and feel great! We'll explore portion sizes in playful ways — perfect for children and grown-ups alike.

This isn't just about food — we'll also get everyone up and active with a **fun movement break** to energise the room! Expect music, laughter, and easy exercises / dancing that everyone can join in with.

- Discover how much is *just enough*
- Get hands-on with food models and games
- Learn simple tips for healthy eating at home

Ages 5 – 11 years

##### **Crafting with Barnardos**

**2.30 – 4pm**

Come and craft with Barnardos making something really exciting to take home. Let your imagination soar as you use different materials to make something really special

Family event
