Subject: Join Us – Inspiring Anti-Racism Workshop for All Parents

Dear Parents and Carers,

We warmly invite **all parents and carers** to attend an upcoming anti-racism workshop at St Margaret Clitherow School. This session is for *everyone* in our school community—no matter your background—and is a chance to come together, learn, and be part of something meaningful.

This will be an engaging and thought-provoking session led by an experienced consultant and anti-racism campaigner who has been working closely with our staff and pupils this year. Together, we will explore practical ideas, real-life experiences, and positive ways we can all help create a more inclusive, respectful, and welcoming environment for every child.

✦ **Why attend?**

- Gain useful insights into how anti-racism can be understood and applied in everyday life
- Hear about the work already happening in school and how it benefits all children
- Share your thoughts, experiences, and questions in a friendly and supportive space
- Connect with other parents and strengthen our school community

This workshop is also an important part of our journey towards the Leeds Beckett Anti-Racism Award, reflecting our commitment to continuous learning and positive change.

We know that busy schedules can make it difficult to attend events, but this is a valuable opportunity to be involved in shaping a school environment where every child feels they belong and can thrive.

Your voice matters, and we would truly love to see as many parents there as possible.

If you have any topics or questions you would like included in the session, please feel free to reply to this email or contact me directly at iheath@clitherow.brent.sch.uk
