

Dear Parents,

As you are aware, we are taking part in the Big Lent Walk to raise money for CAFOD. We are asking children to collect sponsorship via the links below. We would be very grateful if you could share these links with family and friends and on your social media so that we can raise as much as possible for this worthy cause. Please include your child's name and class in the donation message so we can see who our star collectors are!

Thank you for your support!
