Message from our Head Teacher:

A warm welcome back to the new school year. Hope you all had a good summer even though it feels a long time ago and the change in weather is moving us steadily into Autumn. There have been lots of changes to the building over the summer holiday and the removal of half of the mobile. All of which has given us much more space in and around school which is fabulous.

Club Activ8 Scheme

Warren Hills School has agreed again this year to join the NWLDC Club Activ8 scheme and have paid for a year's membership for every child in our school. The scheme rewards young people for participating in school PE lessons and school sports clubs. Each week, during term time, points are added on to each child's account which works out to £2.50. This can be used at our local leisure centres to pay for/pay towards an activity. Please encourage your child to make use of this valuable membership!

CAR PARK

Unfortunately our electronic gates are not working at present. This is due to a delivery lorry reversing in to them causing major damage. This is now an insurance claim and is taking a while to process.

Can we remind you all that the car park is for the use of **staff only** and should not be used by parents/carers for dropping off/picking up children as this creates a danger to other pedestrians. Thank you for your support.
