### Newsletter Summer Term 2026

26/06/2026

#### Mrs Hepburn-Fish's reflection of the week and events

We have survived! After the heatwave this week we are proud of how well our pupils and staff have managed. We kept the classrooms and nurseries as cool as possible and reduced the physical activities during the week. They all enjoyed ice cream and ice lollies during the week! Thank you for your support. Next week the weather will be raining and much cooler than it has been. We will return to normal uniform expectations on Monday 29<sup>th</sup> June. Please ensure your child's PE kit and trainers are returned to school. If the temperatures increase from now until the end of the academic year, we will inform you about when the pupils will wear their PE kit.

#### Next week we have two leavers assembly

for the absence the police will be contacted  
as the child will be classed as missing.

## Absence due to reported illness / Appointments

If you have reported your child absent due  
to illness then school will contact you on  
the 3<sup>rd</sup> consecutive day of absence with a  
welfare call. On the 3<sup>rd</sup> day of illness we  
would be advising parents to seek medical  
advice as a prolonged period of illness  
would generally require medical attention.  
Where the illness continues into a 4<sup>th</sup> day  
and school have no supporting medical  
evidence such as a GP appointment then a  
home visit will be carried out to see the  
child.

If your child has a medical appointment  
then school are required to ask for  
evidence of all appointments to authorise  
the absence. This could be in the form of a  
letter, appointment card or screenshot of  
text message etc...

## Attendance information

### Punctuality Matters

**Getting your child to school really matters. Did you know...**

If your child's attendance during the school year...	Your child would have lost approximately...	Or they would have missed approximately...
Was 95%	9 Days from School	50 Lessons
Was 90%	19 Days from School	100 Lessons
Was 85%	29 Days from School	150 Lessons
Was 80%	38 Days from School	200 Lessons
Was 75%	48 Days from School	250 Lessons

You should not take your child on holiday during term time. Please encourage punctuality to maintain school attendance. Remember Absence = Lost Opportunity

## Absence

It is parents/carers responsibility to report  
your child as absent, please contact the  
school before 8.45am and leave a message  
on the automated service using option 1,  
Failure to report absences will result in a  
phone call and a text from the school to  
explain the absence. If we are not informed  
about child's attendance our first day  
contact procedures are followed. This  
includes a home visit and after this if we  
cannot make contact to find out the reason

## Uniform expectations and ordering

### Summer uniform

The summer uniform policy applies for this term where smart black shorts can be worn, there will be no summer dresses allowed as the pupils can wear their skirts and polo shirt. If in the event that the weather is very hot, we change the pupils into their PE kits and will inform nursery parents/carers that the pupils can wear shorts and t-shirts.

## Please place Uniform orders by the 26th June 2026 or before

To enable us to deliver your main school uniform orders  
before the last day of the summer term

Orders after this date will be delivered when the school reopens in September, there is the option of paying for home delivery.

Identity aims to deliver all home delivery orders to UK mainland addresses within 14 days between 15<sup>th</sup> August to 15<sup>th</sup> September please order before if possible.

## Health and safety

A reminder that no bikes, scooters or electric scooters are to be brought onto school premises. We have had a number of parents/carers bring these and they are a hazard. Thank you

### Parking

Please do not park at the top of Islay place. Especially on the double yellow lines. We have seen a number of cars parked over the

residents drive at the top of Islay place which blocks access to their property. Please try and not use Islay Place for parking for our pupil's safety.

### Vaping

Please do not vape on the school playground or anywhere on school property. Thank you.

All pupils must be brought to their entrance to their class by an adult so that they are handed over to the staff safely. Pupils must not be left at the gates or parts of the playground to walk to the class by themselves. Pupils can only be collected by one of the named adult contacts who has permission to collect. If for some reason your child will not be collected by a named contact, please contact the school office so we can ensure that we are handing your child to the correct adult at the end of the day.

No dogs can be brought onto the school premises other than guide dogs.

Afterschool we request that parents/carers leave the school after collecting your child and not play on the equipment. We have a number of afterschool clubs running and we need access to the playground and the gates locked so the pupils can begin their club. Thank you

A little reminder that we ask for a coat to be worn. The pupils are outside for playtimes and outdoor learning is a key part to our younger pupils.

### Earrings

Earrings that have just been newly pierced must be covered each day. After 8 weeks the earrings need to be removed. We have a number of pupils who are wearing hoops/fashion earrings and covering these over. These must be removed. Thank you.

## Safeguarding

The Safeguarding Hub has changed their name to Cumberland Children Advice & Support Service

As of 1 September 2025, the Cumberland Safeguarding Hub changed their name to Cumberland Children Advice & Support Service (CCASS).

This change of name is to support the 'one front door' model, so any children requiring support from the Local Authority, whether this be extra help via the Family Hubs, or a safeguarding response, will have their needs assessed through the screening and triage services CCASS offer, this will ensure the right level of service at the right time for children.

Consultation on the new name has been undertaken with children from across Cumberland, through the Participation and Outreach Team. We are proud to hear their views and have adopted their preferred name.

### How can a member of the public make a referral?

If a member of the public is concerned about a child, they can make a referral to CCASS. They can do this in a number of ways:

- Call the Cumberland Children Advice & Support Service on 0333 240 1727 during office hours (Monday to Thursday, 9am – 5pm, and Friday, 9am – 4.30pm).
- Discuss their concerns with someone who works with children, young people and their families, such as a Health Visitor, Social Worker, School Nurse or School Designated Safeguarding Lead.
- Submit a Single Contact Form, selecting 'I am an adult with concerns about a child'.

- Cumberland Single Contact Form

If members of the public have a concern outside of office hours, which will not wait until the next working day, they should contact the Children's Emergency Duty Team on 0333 240 1727 and provide them with as much information as possible.

Cumberland Neurodiversity and Emotional Wellbeing Service

Cumberland Council, in partnership with local NHS services, are pleased to announce the launch of a new Neurodiversity and Emotional Wellbeing Service. The service is being piloted for an initial 12 months in the Cumberland area from November 2025, and has been developed with the support of SENDAC, the statutory parent/ carer forum for Cumbria.

The service will focus on early intervention and prevention, offering support at soon as needs are noticed. It will provide support, advice and guidance to families with children who have needs related to neurodivergence or emotional wellbeing.

This includes children from 0-19, or young people up to aged 25 who have a diagnosed special educational need or disability. The Service team is made up of two Social Prescribers, five Support Workers, a Health & Wellbeing Coach, three Emotional Resilience Nurses, a Clinical Psychologist, and an Assistant Psychologist who can provide clinical support and guidance when needed.

The service has:

A Neurodiversity and Emotional Wellbeing section on the Cumberland Family Hubs website which has information, advice, and strategies to support families if they feel they need it.

A single point of contact for parents, carers, young people, and professionals to contact the service to receive further advice and support.

A new strength and needs assessment that can be completed with families to understand each child or young person and plan the right support.

You can find out more on the service webpages, hosted on the Cumberland Family Hubs website:
