 The younger nursery pupils (January and April 2026 starters) will be participating in a mini sports day during their nursery session in their outdoor area. Parents won't be attending this but there will be lots of photos uploaded to dojo.

Cumberland Council, in partnership with local NHS services, are pleased to announce the launch of a new Neurodiversity and Emotional Wellbeing Service. The service is being piloted for an initial 12 months in the Cumberland area from November 2025, and has been developed with the support of SENDAC, the statutory parent/ carer forum for Cumbria.

The service will focus on early intervention and prevention, offering support at soon as needs are noticed. It will provide support, advice and guidance to families with children who have needs related to neurodivergence or emotional wellbeing.

This includes children from 0-19, or young people up to aged 25 who have a diagnosed special educational need or disability. The Service team is made up of two Social Prescribers, five Support Workers, a Health & Wellbeing Coach, three Emotional Resilience Nurses, a Clinical Psychologist, and an Assistant Psychologist who can provide clinical support and guidance when needed.

The service has:

A Neurodiversity and Emotional Wellbeing section on the Cumberland Family Hubs website which has information, advice, and strategies to support families if they feel they need it.

A single point of contact for parents, carers, young people, and professionals to contact the service to receive further advice and support.

A new strength and needs assessment that can be completed with families to understand each child or young person and plan the right support.

You can find out more on the service webpages, hosted on the Cumberland Family Hubs website:

<https://cumberlandfamilyhubs.org.uk/neurodiversity-and...>

Or email the team at NDandEW@cumberland.gov.uk

Pupil Premium Grant

The pupil premium is **additional** government funding for pupils who are eligible and have applied for Free School Meals (FSM) or at any time in the previous six years, as well as Children Looked After (CLA), adopted children (Ad) and for service families. The funding goes direct to your school and makes a real difference to the opportunities and support available to all our young people

Free School Meals

All reception, year one and year two pupil receive universal meals but some parents/carers are eligible for free school meals. Please apply now and this will entitle you to food vouchers during the school holidays and additional foodbank vouchers for Christmas. Please apply through Cumberland Council

Behaviour update

The whole school have been working on updating our school rules. The student leaders held an assembly and shared the final ones with the whole school. You can watch the attached video to hear our school rules

Health and safety reminders

All pupils must be brought to their entrance to their class by an adult so that they are handed over to the staff safely. Pupils must not be left at the gates or parts of the playground to walk to the class by themselves. Pupils can only be collected by one of the named adult contacts who has permission to collect. If for some reason your child will not be collected by a named contact, please contact the school office so we can ensure that we are handing your child to the correct adult at the end of the day.

No dogs can be brought onto the school premises other than guide dogs.

The main staff car park cannot be used at any time this includes dropping off for breakfast club or collecting for afterschool club.

Afterschool we request that parents/carers leave the school after collecting your child and not play on the equipment. We have a number of afterschool clubs running and we need access to the playground and the gates locked so the pupils can begin their club. Thank you

A little reminder that we ask for a coat to be worn. The pupils are outside for playtimes and outdoor learning is a key part to our younger pupils.

**BRAND NEW
NAME**

The Safeguarding Hub has changed their name to Cumberland Children Advice &

Support Service

As of 1 September 2025, the Cumberland Safeguarding Hub changed their name to Cumberland Children Advice & Support Service (CCASS).

This change of name is to support the 'one front door' model, so any children requiring support from the Local Authority, whether this be extra help via the Family Hubs, or a safeguarding response, will have their needs assessed through the screening and triage services CCASS offer, this will ensure the right level of service at the right time for children.

Consultation on the new name has been undertaken with children from across Cumberland, through the Participation and Outreach Team. We are proud to hear their views and have adopted their preferred name.

How can a member of the public make a referral?

If a member of the public is concerned about a child, they can make a referral to CCASS. They can do this in a number of ways:

- Call the Cumberland Children Advice & Support Service on 0333 240 1727 during office hours (Monday to Thursday, 9am – 5pm, and Friday, 9am – 4.30pm).
- Discuss their concerns with someone who works with children, young people and their families, such as a Health Visitor, Social Worker, School Nurse or School Designated Safeguarding Lead.
- Submit a Single Contact Form, selecting 'I am an adult with concerns about a child'.
 - Cumberland Single Contact Form

If members of the public have a concern outside of office hours, which will not wait until the next working day, they should contact the Children's Emergency Duty Team on 0333 240 1727 and provide them with as much information as possible.

Lunch Time Menu

Our Lunch time menu is on a two-week rolling rota. Each week we will put a copy of the following weeks menu on the bottom of the newsletter. Please note this can be subject to change depending on supplier's availability.

Earrings

Earrings that have just been newly pierced must be covered each day. After 8 weeks the earrings need to be removed. We have a number of pupils who are wearing hoops/fashion earrings and covering these over. These must be removed. Thank you.

Baby Rainbows

Baby Rainbows runs every Thursday at 1:30pm – 3:00pm for under Two-year olds. Come and join us for a cake and a cuppa with other parents/carers

MATTERS- PUNCTUALITY MATTERS

Getting your child to school really matters. Did you know...

If your child's attendance during the school year...	Your child would have lost approximately...	Or they would have missed approximately...
Was 95%	9 Days from School	50 Lessons
Was 90%	19 Days from School	100 Lessons
Was 85%	29 Days from School	150 Lessons
Was 80%	38 Days from School	200 Lessons
Was 75%	48 Days from School	250 Lessons

You should not take your child on holiday during term time. Please encourage punctuality to maintain school attendance.

Remember Absence = Lost Opportunity

Absence

It is parents/carers responsibility to report your child as absent, please contact the school before 8.45am and leave a message on the automated service using option 1, Failure to report absences will result in a phone call and a text from the school to explain the absence. If we are not informed about child's attendance our first day contact procedures are followed. This includes a home visit and after this if we cannot make contact to find out the reason for the absence the police will be contacted as the child will be classed as missing.

Absence due to reported illness / Appointments

If you have reported your child absent due to illness then school will contact you on the 3rd consecutive day of absence with a welfare call. On the 3rd day of illness we would be advising parents to seek medical advice as a prolonged period of illness would generally require medical attention. Where the illness continues into a 4th day and school have no supporting medical evidence such as a GP appointment then a home visit will be carried out to see the child.

If your child has a medical appointment then school are required to ask for evidence of all appointments to authorise the absence. This could be in the form of a letter, appointment card or screenshot of text message etc...

Wake up Wednesday

Sports betting has become increasingly visible online, appearing across apps, websites, social media, sports coverage and gaming spaces.

Even when young people are not legally old enough to gamble, they may still encounter betting messages through adverts, influencers, tipsters, friends or adult accounts.

Our latest [#WakeUpWednesday](#) guide highlights key risks, including:

- Easy online access
- Gambling becoming normalised around sport
- Peer and influencer pressure
- Free bet offers
- Impulsive spending and chasing losses

It also offers practical advice for parents, carers and educators on starting calm conversations, setting safer digital boundaries, spotting warning signs and finding support.
