Newsletter Summer Term 2026

10/07/2026

Mrs Hepburn-Fish's reflection of the week and events

We cannot believe that it is nearly the end of the academic year. It has been so busy that the time is just going so quickly! Thank you for all the support in attending the new class meetings that took part this week. We hope you found it helpful to learn about your child's new class and the curriculum for their next year group. The year two pupils will enjoy their leavers disco this afternoon and we are pleased we can have this outside. They all look very smart in their party clothes and are very excited.

This week we have two amazing things to share with you.....

Drum roll please.....We are absolutely delighted to announce that our Bright Stars project- WOW Wonders of Workington has won of the categories 🏆

Thanks to everyone who supported our Bright Stars team, we were the most profitable project and we are thrilled to have won this category 🏆🌈

We are beyond proud of our Bright Stars management who learnt so many new skills during the project and proved themselves to be excellent entrepreneurs 😊

Thank you to our Bright stars team of pupils but also Mrs Humble, Mrs Ross and Mr Laverty for doing an amazing job and spending every Wednesday working with the pupils and our supporting business Dave and Rachel from The Vicky in Cockermouth. Well-done.

On Thursday we were proud to be part of a celebration event for the Great teaching toolkit project that we have implemented with the Teachers and Teaching Assistants to promote a positive ethos. Some of the things included were the postcards that have been sent home, the top table trophy, increased awards and recognition and we have reviewed the routines and timetables. Thank you to Mr Starr and Miss Watson for being out Great Teaching Toolkit leads and their time and dedication to this. We are very proud of them.

End of term finish at 12:30pm. We will see all the pupils to their parents/carers and then all year two will exit from the school main entrance as their final leaver's day. We will have a leavers banner outside all week with leavers 2026 for you to take any photos of your child.

Health and safety notice

With high temperatures predicted across much of the UK over the next week we just wanted to provide parents/carers with some information and what steps we are taking. We will be making a temporary adjustment to our uniform expectations.

We are taking all reasonable steps, in line with DfE guidance, to ensure our school building remains as cool as possible.

For the last week of this term week commencing Monday 13th July, we will ask the pupils to wear their PE kit and trainers for school. This will be sent home tonight. This will be in place until the end of term.

Nursery pupils can wear their own shorts with their school polo and trainers.

Please ensure your child brings a sun hat.

We ask that parents/carers apply sun cream to your child before school.

We will provide shaded areas for the

pupils and limit exercise/PE to calm activities so they do not become too hot.

The pupils will be encouraged to drink regularly and we will monitor how much they are drinking to ensure they are kept hydrated. They will keep their water bottles at the desks.

We will keep the school as ventilated as possible; we have bladeless fans in all classrooms to keep the environment cool. Thank you

Staff organisation

September 2026

We are delighted to confirm that we have started to prepare the class lists and organisation for September.

We will have two classes in each year group. Some of the teachers and Teaching Assistants will be moving year groups. We will be holding information sessions to find out about your child's new class and their year group and you will be informed about the class that you will be in. We will be holding a variety of different transition activities so please keep a close eye on the dairy dates.

Attendance information

Punctuality Matters

Absence

It is parents/carers responsibility to report your child as absent, please contact the school before 8.45am and leave a message on the automated service using option 1, Failure to report absences will result in a phone call and a text from the school to explain the absence. If we are not informed about child's attendance our first day contact procedures are followed. This includes a home visit and after this if we cannot make contact to find out the reason for the absence the police will be contacted as the child will be classed as missing.

Absence due to reported illness / Appointments

If you have reported your child absent due to illness then school will contact you on the 3rd consecutive day of absence with a welfare call. On the 3rd day of illness, we would be advising parents to seek medical advice as a prolonged period of illness would generally require medical attention. Where the illness continues into a 4th day and school have no supporting medical evidence such as a GP appointment then a home visit will be carried out to see the child.

If your child has a medical appointment then school are required to ask for evidence of all appointments to authorise the absence. This could be in the form of a letter, appointment card or screenshot of text message etc...

Uniform expectations and ordering

Summer uniform

The summer uniform policy applies for this term where smart black shorts can be worn, there will be no summer dresses allowed as the pupils can wear their skirts and polo shirt. If in the event that the weather is very hot, we change the pupils into their PE kits and will inform nursery parents/carers that the pupils can wear shorts and t-shirts.

Please place Uniform orders by the 26th June 2026 or before

To enable us to deliver your main school uniform orders
before the last day of the summer term

Orders after this date will be delivered when the school reopens in September, there is the option of paying for home delivery.

Identity aims to deliver all home delivery orders to UK mainland addresses within 14 days between 15th August to 15th September please order before if possible.

Health and safety

A reminder that no bikes, scooters or electric scooters are to be brought onto school premises. We have had a number of parents/carers bring these and they are a hazard. Thank you

Parking

Please do not park at the top of Islay place. Especially on the double yellow lines. We have seen a number of cars parked over the

residents drive at the top of Islay place which blocks access to their property. Please try and not use Islay Place for parking for our pupil's safety.

Vaping

Please do not vape on the school playground or anywhere on school property. Thank you.

All pupils must be brought to their entrance to their class by an adult so that they are handed over to the staff safely. Pupils must not be left at the gates or parts of the playground to walk to the class by themselves. Pupils can only be collected by one of the named adult contacts who has permission to collect. If for some reason your child will not be collected by a named contact, please contact the school office so we can ensure that we are handing your child to the correct adult at the end of the day.

No dogs can be brought onto the school premises other than guide dogs.

Afterschool we request that parents/carers leave the school after collecting your child and not play on the equipment. We have a number of afterschool clubs running and we need access to the playground and the gates locked so the pupils can begin their club. Thank you

A little reminder that we ask for a coat to be worn. The pupils are outside for playtimes and outdoor learning is a key part to our younger pupils.

Earrings

Earrings that have just been newly pierced must be covered each day. After 8 weeks the earrings need to be removed. We have a number of pupils who are wearing hoops/fashion earrings and covering these over. These must be removed. Thank you.

Safeguarding

The Safeguarding Hub has changed their name to Cumberland Children Advice & Support Service

As of 1 September 2025, the Cumberland Safeguarding Hub changed their name to Cumberland Children Advice & Support Service (CCASS).

This change of name is to support the 'one front door' model, so any children requiring support from the Local Authority, whether this be extra help via the Family Hubs, or a safeguarding response, will have their needs assessed through the screening and triage services CCASS offer, this will ensure the right level of service at the right time for children.

Consultation on the new name has been undertaken with children from across Cumberland, through the Participation and Outreach Team. We are proud to hear their views and have adopted their preferred name.

How can a member of the public make a referral?

If a member of the public is concerned about a child, they can make a referral to CCASS. They can do this in a number of ways:

- Call the Cumberland Children Advice & Support Service on 0333 240 1727 during office hours (Monday to Thursday, 9am – 5pm, and Friday, 9am – 4.30pm).
- Discuss their concerns with someone who works with children, young people and their families, such as a Health Visitor, Social Worker, School Nurse or School Designated Safeguarding Lead.
- Submit a Single Contact Form, selecting 'I am an adult with concerns about a child'.

- Cumberland Single Contact Form

If members of the public have a concern outside of office hours, which will not wait until the next working day, they should contact the Children's Emergency Duty Team on 0333 240 1727 and provide them with as much information as possible.

Cumberland Neurodiversity and
Emotional Wellbeing Service

Cumberland Council, in partnership with local NHS services, are pleased to announce the launch of a new Neurodiversity and Emotional Wellbeing Service. The service is being piloted for an initial 12 months in the Cumberland area from November 2025, and has been developed with the support of SENDAC, the statutory parent/ carer forum for Cumbria.

The service will focus on early intervention and prevention, offering support at soon as needs are noticed. It will provide support, advice and guidance to families with children who have needs related to neurodivergence or emotional wellbeing.

This includes children from 0-19, or young people up to aged 25 who have a diagnosed special educational need or disability. The Service team is made up of two Social Prescribers, five Support Workers, a Health & Wellbeing Coach, three Emotional Resilience Nurses, a Clinical Psychologist, and an Assistant Psychologist who can provide clinical support and guidance when needed.

The service has:

A Neurodiversity and Emotional Wellbeing section on the Cumberland Family Hubs website which has information, advice, and strategies to support families if they feel they need it.

A single point of contact for parents, carers, young people, and professionals to contact the service to receive further advice and support.

A new strength and needs assessment that can be completed with families to understand each child or young person and plan the right support.

You can find out more on the service webpages, hosted on the Cumberland Family Hubs website:

Dear Parent or Carer,

We are writing to inform you that the Government are making national changes to how free school meals are provided from September 2026, and this may affect your child's entitlement.

What is Changing?

From September 2026, all children whose families receive Universal Credit will be entitled to free school meals. However, the system will now have two categories depending on household income.

Types of Free School Meals

Targeted Free School Meals: For families receiving Universal Credit with yearly household earnings of £7,400 or less.

Children in this group will continue to receive additional support such as:

- Access to Holiday Activity and Food (HAF) program
- Extended school transport support (where applicable)

Expanded Free School Meals: For families receiving Universal Credit with earnings above £7,400.

Children in this group will still receive a free school meal each day. If your child currently accesses the extended right to school transport this will continue for the academic year 2026/27.

Changes to Existing Entitlement

Since April 2018, transitional protection has meant that children kept their free school meals even if family circumstances changed. This protection will finish at the end of the 2025–2026 school year.

From September 2026, all pupils will be reassessed and must meet the new eligibility criteria to continue receiving free school meals.

What This Means for Your Child

If your child currently receives a free school meal they will be reassessed before September. Your child will then fall into one of the following groups:

- Continue to receive free school meals and additional support (Targeted FSM)
- Continue to receive free school meals only (Expanded FSM)
- No longer be eligible for free school meals

If your child is no longer eligible, you will need to pay for school meals from September 2026.

Universal infant free school meals (UIFSM) provides funding for all government-funded schools to offer free school meals to pupils in reception, year 1 and year 2.

If you believe that your child will become eligible from September 2026 you will be able to apply online or via the school office prior to September. The Government has provided the Council with new checking system that is not fully operation at the moment so we cannot take applications for the new criteria just yet. When we can accept new applications, we will update our website and let your school know.

What Happens Next?

The Council will begin reassessing all pupils who receive free school meals as soon as we can. At first, we will identify those who meet the Targeted FSM criteria. Once the new system is fully in place, we will write to you again to confirm your child's updated eligibility status.

If you are making a new application for the expanded free school meal criteria we will let you and your child's school know the outcome. Please provide a valid email address on your application.

If you feel you meet the targeted free school meals criteria now you can continue to apply via <https://www.cumberland.gov.uk/schools-and-education/free-school-meals-clothing-vouchers-and-activities/free-school-meals-and-clothing-vouchers>
