Together, we can achieve great things!

School Newsletter 4: Friday 25th September 2026

Dear Parents and Carers,

We are now well into the autumn term, and there is already so much happening across Northview. In this newsletter, we are pleased to share some of the learning, activities and achievements taking place across the school, alongside important updates and information for families.

Parent Curriculum Evening

Thank you to all the parents and carers who attended our recent Parent Curriculum Meeting. It was a valuable opportunity to share our priorities for the year, explain how we are continuing to strengthen teaching and learning, and discuss the important role families play in supporting children's progress. For parents and carers who were unable to attend, the Headteacher's presentation slides are attached so that you can see the key information that was shared. We have also included below some practical ways you can support your child at home, linked directly to our school priorities. Small things such as reading regularly, practising key maths skills, encouraging good attendance and talking to your child about their learning can make a significant difference. Together, we can achieve great things!

Together for Brighter Futures

OUR 5 KEY PRIORITIES – AND HOW YOU CAN HELP

At Northview, we want every child to be **happy, safe** and **successful**.
Here are 5 key areas we are focusing on this year – and the ways you can support your child at home.

1

READING, WRITING AND LEARNING

Great learning starts with strong reading, writing and communication skills.

How you can help:

- ✓ Read with your child every day, even for 10 minutes.
- ✓ Ask questions about what they have read.
- ✓ Encourage them to tell stories and discuss ideas.
- ✓ Support completion of homework and practise spellings and number facts.

2

ATTENDANCE AND WELLBEING

Being in school every day helps children to learn, make friends and feel part of our school community.

How you can help:

- ✓ Ensure your child attends school every day and arrives on time.
- ✓ Let us know early if your child is unwell.
- ✓ Arrange appointments outside school hours where possible.
- ✓ Talk to us if you need support with attendance – we are here to help.

3

PERSONAL DEVELOPMENT

We support children to be confident, kind, resilient and ready for the future.

How you can help:

- ✓ Talk to your child about our values at home.
- ✓ Encourage independence (e.g. getting ready, packing their bag).
- ✓ Support positive behaviour and online safety.
- ✓ Celebrate their interests and take part in school enrichment events.

4

INCLUSION AND BELONGING

We want every child to feel valued, included and able to achieve their very best.

How you can help:

- ✓ Share information about your child's needs, interests and strengths.
- ✓ Talk to us if your child needs extra support – early conversations make a difference.
- ✓ Help us celebrate diversity and respect all members of our community.
- ✓ Get involved in parent workshops and share your views.

5

ENRICHMENT AND ASPIRATION

We provide exciting opportunities to broaden experiences and help children dream big.

How you can help:

- ✓ Encourage your child to take part in clubs, trips and special events.
- ✓ Share your skills, hobbies or job to inspire our children.
- ✓ Support school events and celebrations.
- ✓ Talk to your child about their hopes and dreams for the future.

Stronger together for a brighter future!

AMBITION

RESPONSIBILITY

EXCELLENCE

Children thrive when school and home work together.

BE KIND | BE RESPECTFUL | BE HONEST

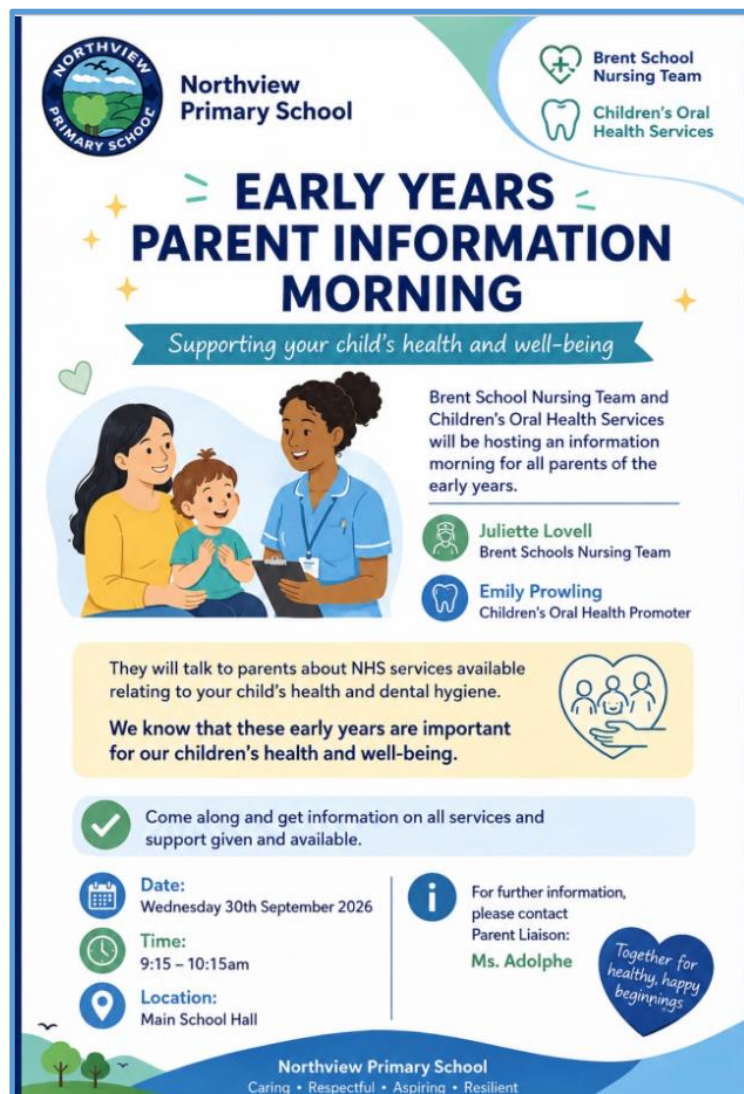

EYFS NHS Information Morning: Oral Health

Parents and carers of children in Nursery and Reception are warmly invited to our EYFS NHS Information Morning:

Date: Wednesday 30th September

Time: 9:15am–10:15am

Our School Nursing Team representative, Juliette Lovell, and her team will join us to explain the NHS services and support available to children and families. We will also welcome Emily Powling, School Link Children's Oral Health Promoter, who will introduce parents to our Supervised Tooth Brushing Scheme before we begin the programme with the children. We strongly encourage our Nursery and Reception families to attend. It will be a valuable opportunity to find out more about supporting your child's health, wellbeing and oral health. Please see the attached flyer for further information.

School Uniform

Monday, Wednesday and Friday – School Uniform

Children should wear their normal school uniform, including plain black school shoes. **Black shoes must be worn**

Tuesday and Thursday– PE Kit

Children should come to school wearing their PE kit: royal blue T-shirt, suitable joggers or shorts, and trainers.

Please make sure that all clothing is clearly labelled with your child's name. If you are experiencing any difficulties with providing the correct uniform, please contact the school office so that we can discuss how we may be able to support you.

Attendance and Punctuality

Being on time is crucial for your child's success. **The school day begins promptly at 8:55am** and pupils should be in their classrooms ready to learn at that time. The **school gates open at 8:45am** daily so kindly ensure that your child arrives as early as possible. Arriving late can disrupt your child's learning and the learning of others. Let us work together to develop good habits and start the day off in a calm, organised manner.

Celebration Assembly

It was wonderful to come together for our Celebration Assembly today and recognise the achievements of our pupils. We are proud of the effort, positive attitudes and excellent behaviour shown across the school. Our values of Ambition, Responsibility and Excellence remain at the heart of everything we do, and we look forward to celebrating many more achievements throughout the term.

Class Dojo

Pupils have been upholding our school values of:

- **Ambition**
- **Responsibility**
- **Excellence**

As well as our vbehaviour golden rules:

- **Be Kind**
- **Be Respectful**
- **Be Honest**

The children have had a super second week of the half term. They have demonstrated an excellent attitude and focussed well in their lessons. Well done to Year 3 who have earned the most Dojo points last week

Safeguarding

Safeguarding children is all of our responsibility.

Discord is a popular app where young people can chat, play games and join groups based on their interests. However, there are some risks parents should be aware of, including contact with strangers, unsuitable content, bullying and spending too much time online.

This week's guide gives parents simple tips for keeping children safer. These include checking privacy settings, using Discord's Family Centre, setting spending controls and talking to children about who they communicate with online. Families are also encouraged to set clear rules around screen time and remind children to speak to a trusted adult if anything online makes them feel worried or uncomfortable.

The safeguarding team at Northview Primary school are:

Designated Safeguarding Lead: Mrs Barouma

Deputy Designated Safeguarding Lead: Mrs Obinwanne

Deputy Designated Safeguarding Lead: Mrs Raval

Deputy Designated Safeguarding Lead: Ms Adolphe
