Together we can make a difference

School Newsletter #12: Friday 18th July 2025

Dear Parents and Carers,

As we reach the final week of this term, I would like to take this opportunity to reflect on the many achievements and experiences we have shared throughout the academic year. It has been a time of significant growth and learning for our pupils, and I am pleased to recount some highlights from the past week.

Year 6 trip to Brighton Beach

On Monday, our Year 6 pupils had the exciting opportunity to spend the day at Brighton Beach. This trip was not only a chance for them to enjoy the sunshine and fresh air but also provided a lovely experience as they come to the end of their time with us at Northview Primary School. They engaged in various activities aimed at enhancing their appreciation for the local environment and the importance of community.

Parents' Forum

On Tuesday, we convened for our annual parents' forum, where we had the pleasure of sharing the successes of the year with you, our valued parents and carers. We presented highlights showcasing both improvements and extracurricular achievements that have made this year so enriching for our pupils. Furthermore, we appreciated the valuable feedback received from parents regarding what they perceived as strengths and possible areas for development within our school community. Your insights are crucial for our continuous improvement, and we encourage ongoing dialogue as we strive to provide the best educational experience for our children.

Brent Library Summer Activities

Wednesday proved to be another engaging day, as we welcomed our local librarian, Wendy, who held an informative assembly sharing details about the Summer Reading Challenge. This programme aims to encourage children to continue reading during the summer break, ensuring they remain engaged with literature and expand their love for reading.

We are excited to inform you that the library, alongside various local organisations, will be hosting a plethora of free activities during the holiday period. Details of these initiatives are attached to this week's newsletter, and we highly recommend that all families take advantage of these wonderful opportunities.

Goodbye Year 6

This morning, we celebrated our Year 6 leavers with a heartfelt assembly and graduation ceremony. It was a poignant occasion, filled with laughter, joy, and a few

tears, as we reflected on the journey that our Year 6 pupils have undertaken during their primary education. We are incredibly proud of each and every one of them and wish them every success as they embark on the next stage of their academic journey in secondary school.

School Closed Summer 2025

We are excited that our building works will begin for our new nursery building this summer as well as school improvement projects across the school. **As a result, school will be closed and there will be no summer holiday camp onsite.**

Celebration Assembly

Earlier this week, we had our celebration assembly. This week we congratulated the following pupils:

We also celebrated pupils who have had 100% attendance throughout the whole year!

These were: **Joud Reception, Mohammed Y2, Faith Y5, Thierry Y5 and Andreea Y5.**

Readathon

Year 6 earned the most points for reading this half term. Remember to keep your child reading throughout the summer holidays

Class Dojo

Our pupils earn Dojo points for demonstrating positive behaviours such as: kindness, being honest, being respectful, and participating well in lessons. **Year 2** earned the most points this week with a massive **1341!** Fantastic Year 2!

Attendance

Congratulatuons to Year 5 who had the best attendance this week of 98%. Very consistent Year 5!

Safeguarding

As we commence our summer holidays, it is crucial to emphasise water safety for children. Whether they are enjoying sunny days at the beach or having fun in a paddling pool, children are inherently attracted to water. However, such excitement is accompanied by potential risks. This guide offers ten practical tips endorsed by the Royal Life Saving Society UK, including understanding beach flags, avoiding inflatables in open water, and mastering the 'float and call' technique in emergencies, ensuring essential safety for the summer and beyond.

Safeguarding children is all of our responsibility.

The safeguarding team at Northview Primary school are:

Designated Safeguarding Lead: Mrs Obinwanne

Deputy Designated Safeguarding Leads: Mrs Barouma and Mrs Raval

CATCH-UP CLINICS**

Catch-Up Clinics

If your child missed their vaccination at school, we have scheduled a number of catch-up clinics around the UK which you can book onto. The full leaflet is attached to this newsletter with further information on how to access the catch-up clinics over the summer.

Summer in Brent

Brent Council have shared summer activities available to keep your child occupied during the summer holiday. There are many opportunities available such as: holiday clubs, sports activities, and children's events. You can discover what is available by clicking on this link:
