Headteacher's Message

It has been a pleasure to see the continued positivity and progress across our school community this term. You may have noticed that the whole school is benefitting from a well-deserved tidy-up, alongside some fresh and engaging new displays – a big thank you to the staff and Trust for making this happen. These improvements are already helping to create an even more welcoming and inspiring environment for our children to learn and thrive. Have a lovely weekend, Mrs Barrett

Reception and Year 6 Buddy Meet up – Crossing the road

Year 6 pupils had a wonderful time helping Reception children learn how to stay safe on the road, sharing important lessons in a fun and friendly way. There were plenty of smiles and laughter as our oldest children took on the role of teachers, guiding and supporting our youngest learners with care and enthusiasm.

Sign language in Years 4 and 5

This term, Years 4 and 5 have been learning about Deaf Awareness and British Sign Language. They have been using videos and resources from the "School of Signs", recently launched by Signature.

So far, they have learnt a few every day signs, tips for communication and how to fingerspell letters of the alphabet. This week they were learning how to start a conversation.

Did you know that you fingerspell differently whether you are left or right handed?
