Headteacher's Message

As we move another week closer to the end of the year, it has been lovely to see (and hear) so much going on around the school. Next week, we look forward to welcoming Year 5 and 6 families, and members of the community, in to watch the Year 6 (and 5) production of 'Oliver Twist'.

A reminder that next Friday is our games afternoon for the children leading into the Summer Fair after school. Do come along to support us after school if you are able!

Sports Day

Thank you to those of you who were able to come along to Sports Day. The weather was kind to us and it was fantastic to see the children being so supportive and encouraging, especially our Year 6 children who helped to run the carousel activity. Thank you to all of the staff and to Miss Holland for organising all of the day's events. We are very grateful to all of the parent helpers that helped to set up before the start of the day and pack away at the end of the day. Well done to the **Green House** for coming first this year!

Summer Reading Challenge

This week, we welcomed a library representative to tell us about this year's Summer Reading Challenge. This year's theme is 'Read to the Beat'. The Summer Reading Challenge is free, and is open to every child aged 4 and over. You can find out more at www.southglos.gov.uk/summerreadingchallenge

EYFS

Our Reception children have had great fun this week designing and making bridges for the Gingerbread Man to help him cross the river safely and stop him from being eaten by the sneaky fox! Netball

Yesterday, some of our Cherry netballers played in the last match of the year. They took on Redfield Edge and won 10-7. With nifty footwork, quick moves and lots of intercepts, our cherries won the ball on numerous occasions. The shooting accuracy was fantastic as well as our sideline supporters! Thank you to Mrs Roberts for arranging and accompanying.

DIRECTORY

A huge thank you to all our directory sponsors whose generosity helps us to keep all of our clubs free for all children.

How to Set up PARENTAL CONTROLS for PRIVACY iPhone

The privacy settings on your child's Apple device give you control over the information stored on it. This allows you to select which apps can access features and information on your child's device: for example, you might wish to block a social networking app from connecting to the camera reel, or specify which apps can use the device's location data.

How to make changes to privacy settings

You can block certain apps from obtaining information from your child's device. You can also prevent your child (or anyone other than you) from altering these settings.

- 1 Open 'Settings'
- 2 Tap 'Screen Time'
- 3 Tap 'Content & Privacy Restrictions'
- 4 Scroll to 'Privacy'
- 5 Choose the settings you wish to restrict
- 6 After you've made any changes, select 'Use Screen Time Passcode' to lock your changes with a PIN

How to prevent changes to other settings/features

You can also stop changes being made to the iPhone's other settings or features by anyone but you. For example, you can prevent your child from altering their passcode, accounts or mobile data settings.

- 1 Open 'Settings'
- 2 Tap 'Screen Time'
- 3 Tap 'Content & Privacy Restrictions'
- 4 Scroll to 'Allow Changes'
- 5 Select 'Allow' or 'Don't Allow' on the settings for which you wish to enable or disable changes
