

MFL French Matrix overview of units using **Language Angels** 2021-22

Units to be completed- all 6 lessons by end of the year- with some flexibility depended on completion of the last unit

Units have specifically been chosen to link directly to learning in other areas of the curriculum- to support the retrieval of key facts in Science or History and support in English

Key to lesson Units on Language Angels- please use the teacher notes and resources as appropriate to your Year group.

E=Early Language Unit

P=Progressive Language Unit

I = Intermediate Language Unit

C=Core Vocabulary Unit
