Newsletter w/e 11th September 2026

Mrs Truslove writes

You can now apply for **Reception class places** for September 2027 start. This is done via the local authority admissions page. We are anticipating a smaller intake of siblings than this year, so if you know of anyone who might be looking for a space please let them know that we are here!

For the last 2 years we have attended a school led, village **Macmillan Coffee morning**. This year it falls on the 25th of September but we are looking for volunteers to co-ordinate and run the event. If anyone thinks that they would be able to get a small team together to do this please let school know. Sadly, without support it won't go ahead.

Allergy forms – thank you to everyone who has sent these back. If you haven't yet done so could you send it back ASAP so that we can complete the log. If you are not happy to sign could you please contact the school office to let them know.

Homework

On Monday Year 1 will bring home their first homework. There will be a simple maths task and spellings to learn. The maths task is based on current learning and the spellings based on our phonic teaching for the week so should not prove too difficult. This should not be an onerous task, but provide an opportunity for you to support your child's learning.

Please continue to read regularly and write in their record books. Thanks for your support.

Phonics

Reception will start their phonics learning next week.

Year One have been revisiting the previously taught sounds and tricky words and reading words such as lights, sighing and mixes.

Maths

Reception have been singing lots of number rhymes, noticing patterns and learning about 5 and 10 frames.

Year One have been subitising, counting, recognising, ordering and writing numbers to 20 (with the correct formation).

Photos for History topic

This term we are learning about our own personal History. Please can the children bring in 3 photographs- one of themselves when they were born, one when they were 1 years old and one of them now. They will be plotting these onto a timeline. Please only send it photographs which you are happy to be cut up and stuck onto their timelines (printed photos on paper are perfectly fine – we can print them out at school if you send to the bursar email). Thank you.
