Friday 28th November

A message from Miss Mounsey...

As we move further into December, Christmas is certainly in the air and the excitement across school is growing each day. We have some wonderful events coming up in the next couple of weeks: cinema trips, Bottle Bingo, Christmas parties, and of course our much-anticipated Nativity and Carol Concerts. It's always a magical time of year in school, and we look forward to celebrating every moment with our children and school community.

This week has once again been incredibly busy. We have welcomed several visitors into school, providing valuable learning experiences for our pupils. Year 6 took part in an important session about the implications of vaping, helping them make informed and responsible choices as they prepare for secondary school. Key Stage 2 also enjoyed a fantastic STEM workshop filled with hands-on challenges and plenty of LEGO, sparking curiosity and creativity.

There has been lots of exciting learning happening in **EYFS and KS1** too, with children embracing festive activities, storytelling, creative tasks, and plenty of exploration across their curriculum. It has been wonderful to see their enthusiasm and joy for learning shine through.

I must also share how proud we are of our Year 6 children who represented the school at today's inter-school basketball tournament. Their teamwork, sportsmanship, and exemplary behaviour were outstanding.

Thank you to our wonderful school community for your continued support—it truly makes a difference and is greatly appreciated.

Wishing you all a restful, cosy, and very happy weekend as we head towards the festive season.

We are delighted to share that our **B Team finished joint 1st** and our **A Team secured 3rd place**—a fantastic achievement for all involved!

Throughout the tournament, the children displayed excellent behaviour, teamwork, and sportsmanship. They worked together to develop tactics, supported one another, and celebrated each other's successes. We are incredibly proud of how they represented our school and their effort, determination, and enthusiasm.

A big thank you to **Miss Banks** and **Mrs Goulding** for accompanying the children and supporting them during the event.

A STEM Workshop Afternoon

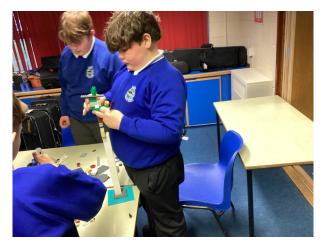

Some children from **Year 3, Year 5, and Year 6** enjoyed an exciting STEM workshop this afternoon—featuring **lots of LEGO!** The session was packed with hands-on building challenges, problem-solving activities, and opportunities to explore STEM concepts in a creative and engaging way. The children showed fantastic curiosity, teamwork, and enthusiasm throughout.

We are excited to announce that the whole school will be taking part in **Times Table Rockstar Day** as we hold our Battle of the Bands 2025! All children are invited to come to school

dressed as a **ROCKSTAR** for the day (dressing up is optional).

As part of the celebrations, we will be holding a special assembly where pupils from **Year 2 to Year 6** will go head-to-head in a thrilling Times Table Rockstars battle to crown our 2025
champions. It promises to be a fun-filled day of music, maths, and friendly competition!

We look forward to seeing our school rock out and celebrate times tables in true Rockstar style!

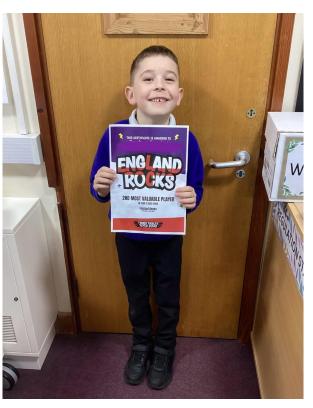

Times Table Rockstars!

Last week, pupils from Year 2 to Year 6 took part in England Rocks!, a national times tables competition for schools across England. Throughout the week, children worked enthusiastically to earn points for their class and for our school. Awards were presented to our Most Valuable Players at both class and whole-school level, recognising their outstanding effort and achievement. Well done to all pupils for their fantastic participation.

Thank you for your understanding and support in keeping our school community safe and considerate.

Cycling & Scootering to School – A Reminder about Road Safety

As we are encouraging more children are choosing to cycle or scooter to school, we would like to remind families about the importance of **road safety** and being considerate of others. Water Bottles & Fruit - PLEASE READ VERY CAREFULLY

Nursery - Just a reminder that all children get fresh water, milk and fruit daily. Therefore children do not need to bring water in their own bottles. **No juice/water should be brought** into school.

Reception & Key Stage 1 - Children are to bring empty water bottles into school each day and fill them up in school from our water dispensers. It is very important that this is followed for safeguarding reasons. No juice or water should be brought into school. If there are medical reasons why your child cannot drink water, please speak to Miss Mounsey regarding this. Also, children get fruit daily and, therefore, there is no need to fetch snack.

Key Stage 2 - Children are to bring empty water bottles into school each day and fill them up in school from our water dispensers. It is very important that this is followed for safeguarding reasons. No juice or water should be brought into school. If there are medical reasons why your child cannot drink water, please speak to Miss Mounsey regarding this. Packed Lunches

A healthy packed lunch should include:

- **A portion of starchy food** such as bread, rolls, wraps, pasta, rice, couscous, or potatoes.
- **At least one portion of fruit and/or vegetables** fresh, dried, tinned (in juice), or frozen.
 - **A source of protein** lean meat, fish, eggs, beans, pulses, hummus, or meat alternatives.
 - **A dairy item** like cheese, yogurt, or a milk-based dessert.
 - A healthy drink preferably water, or milk/100% fruit juice in moderation.

To keep all children safe:

- **Lunchboxes must be clearly labelled** and may include a small ice pack, as we cannot refrigerate them.
 - Children must **not share food** to avoid allergic reactions or cross-contamination.

Special Diets:

We understand that some children may require special diets for medical, religious, or cultural reasons. Please inform school if this applies to your child, and we will support you in providing a healthy, balanced alternative.

Monitoring:

Packed lunches are monitored by staff. Healthy choices are praised, and we will always work sensitively with families to support improvements where needed.

Thank you for helping us keep lunchtime healthy and safe for everyone!

As the weather is becoming increasingly unpredictable, please ensure that children bring a coat to school every day. We aim to get outside in the fresh air as much as possible, even if it's a little chilly or damp, so having a suitable coat means your child can enjoy playtimes and outdoor learning comfortably.

Punctuality Matters

It is essential that children are in school on time, every day.

• Doors open: 8:30am

• Registration begins: 8:35am

• Registration closes: 8:45am

After this time, children must enter through the **main entrance** and will be marked as **late**.

Persistent lateness not only disrupts your child's learning but also affects the whole class.

Patterns of lateness are carefully monitored and reviewed half-termly alongside attendance.

Please support your child by ensuring they arrive on time and ready to learn. A prompt start helps them settle quickly, feel confident, and make the very best of every school day.

Poor attendance or frequent lateness can significantly affect life chances. Missing even a few days each term quickly adds up to large gaps in learning, making it harder for your child to keep up. Arriving late has the same impact — children miss vital teaching and the start of the school day, which sets the tone for learning.

Please support your child by ensuring they arrive on time and ready to learn. A prompt start helps them settle quickly, feel confident, and make the very best of every school day.

Living Streets' WOW - The Walk To School Challenge - Starts on Monday!

Living Streets' WOW – the walk to school challenge is back to help encourage as many children as possible to experience the benefits of walking and wheeling to school.

As you know, WOW is a pupil-led initiative where children self-report how they get to school every day. If they travel actively (walk/wheel, cycle, scoot or Park and Stride) at least twice a week for a month, they get rewarded with a badge. This is for Year 1-Year 6 children... but everyone can get involved! It's that easy!

What are the benefits of walking to school?

- Children feel happier and healthier
- They arrive to school refreshed and ready to learn

• Helps reduce congestion and pollution at the school gates

What if we can't walk to school?

If driving, 'Park and Stride' to help your child earn their WOW badges. Park at least ten minutes away from the school and walk the remaining journey.

If using public transport, hop off at least ten minutes away and walk the rest (recorded as 'other' on the WOW Travel Tracker).

What is a WOW badge?

There are 11 badges to be earned from September 2025 – July 2026. Each badge has been designed by a pupil as part of our annual WOW Badge Design Competition. A new badge can be earned every month if pupils walk/wheel, cycle, scoot or Park and Stride at least twice a week.

WOW 2025/26 encourages pupils to Walk with Joy, with badges depicting everything from jumping in puddles to painting.

The badges are made in Cornwall from material that was otherwise destined for landfill, including fridge trays, plastic plates and yoghurt pot off-cuts. For more information, visit:

livingstreets.org.uk/recycling

Last year, around 2,100 schools and over 540,000 pupils enjoyed the benefits of walking to school with WOW. Will you join us?

If you have any questions about the programme, please find more information and useful videos at: livingstreets.org.uk/wowlaunch

Smoking & Vaping

A gentle reminder to all parents and carers: smoking and vaping are strictly prohibited on school premises at all times. This policy is in place to ensure a safe, healthy environment for all our children, staff, and visitors. Please refrain from smoking or vaping anywhere on school grounds, including car parks and entrances. Your support helps us maintain a clean, respectful space where all children can thrive. Thank you for helping us keep our school a smoke-free zone.
