~ Creativity ~ Respect ~ Honesty ~ Safety ~ Achievement ~

Sunday 3rd May

A message from Miss Mounsey...

It has been another lovely week in school and I am so proud of how hard all of our children are working. Their enthusiasm, positive attitudes and kindness towards one another continue to shine through in everything they do.

This week, we said a heartfelt goodbye to Mrs Smart, who has been a much-loved member of our school family for over 16 years. During her time with us, she has supported and inspired so many children, always showing warmth, care and dedication. She has played such an important role in our school community and will be greatly missed by staff, pupils and families alike. We wish her every happiness and success in the future. Mrs Smart will always be part of our Silloth Primary School family!

Following this, Mr Morgan will be working alongside Miss Banks in Year 6 until the end of the school year, and we are delighted to welcome him into the team.

*The children were also very excited to hear on Friday that the **Colour Run is back again this year!** There was lots of enthusiasm across school—please see more information below.*

*Preparations are also beginning for our **Key Stage Two Summer Show – Silloth Rocks!**, which is always a fantastic event and something the children thoroughly enjoy being part of. Please see below for further information!*

There is also a real buzz of excitement building as Year 4 prepare for their residential trip to Robinwood next week—I have packed my bags ready too! This is always a highlight of the year and a wonderful opportunity for the children to build confidence, independence and teamwork skills. We know they will have an amazing time!

I hope you are enjoying the Bank Holiday weekend and thank you, as always, for your continued support.

Monday 4th May - Early May Bank Holiday

Wednesday 6th May - Friday 8th May - Year 4 Robinwood Residential

Monday 11th May - Thursday 14th May - Year 6 SATs Week

Thursday 21st May - Year 6 Parents' Evening - RSH Meeting and Manchester Residential - 5pm

Friday 22nd May - Sports Day & The Colour Run!

Friday 22nd May - Finish for half term at 3:05pm

Monday 1st June - Back to school!

Friday 5th June - Reserve Sports Day

Wednesday 17th June - Friday 19th June - Year 6 Manchester Residential

KS2 Summer Show 2026 - Silloth Rocks!

We are excited to announce our **Key Stage Two Summer Show – Silloth Rocks!** 

Join us on **Wednesday 8th July** for a fantastic celebration of rock music through the decades, performed by our talented Key Stage Two children.

Performance Times:

- 1:30pm
 - 6:00pm
-

 **Tickets:** £3 each (limited to 2 per family) and must be purchased via **ParentMail**. Tickets will be sent home with your children.

 **Raffle and refreshments** will be available at both performances.

★ All tickets purchased will also be entered into a **special prize draw** at the performances.

We look forward to seeing you there for what promises to be a brilliant show!

School Uniform and PE Kits

Just a quick reminder following the message sent before the Easter break regarding school uniform and PE kit.

Please see below for the guidance. We would appreciate your support in ensuring children come to school dressed appropriately each day, with PE kits in line with school requirements.

THANK
YOU

Packed Lunches

*At Silloth Primary School, we promote healthy eating to support children's growth, development, and concentration throughout the school day. To help with this, we kindly ask that all **packed lunches follow our healthy lunchbox guidelines.***

A healthy packed lunch should include:

- *A portion of starchy food – such as bread, rolls, wraps, pasta, rice, couscous, or potatoes.*
- *At least one portion of fruit and/or vegetables – fresh, dried, tinned (in juice), or frozen.*
- *A source of protein – lean meat, fish, beans, pulses, hummus, or meat alternatives.*

- **A dairy item** – like cheese, yogurt, or a milk-based dessert.
 - **A healthy drink** – preferably water, or milk/100% fruit juice in moderation.
-
-

Please do not include:

- Chocolate bars or confectionery.
 - Sweets.
 - Fizzy or energy drinks.
 - Nuts or nut products (we are a **nut-free school**).
 - Eggs or egg-based products (we are an **egg-free school**).
 - Hot food in flasks (due to health and safety concerns).
-
-

To keep all children safe:

- **Lunchboxes must be clearly labelled** and may include a small ice pack, as we cannot refrigerate them.
 - Children must **not share food** to avoid allergic reactions or cross-contamination.
-
-

Special Diets:

We understand that some children may require special diets for medical, religious, or cultural reasons. Please inform school if this applies to your child, and we will support you in providing a healthy, balanced alternative.

Monitoring:

Packed lunches are monitored by staff. Healthy choices are praised, and we will always work sensitively with families to support improvements where needed.

Thank you for helping us keep lunchtime healthy and safe for everyone!

Year 6 Mental Health Workshop

Year 6 enjoyed a fantastic workshop with Nikki from the Mental Health Support Team at Barnardos. The children learned about resilience, how thoughts can affect emotions, and explored strategies to manage worries, including breathing techniques.

We were very proud of how maturely and thoughtfully the children took part in discussions and supported one another throughout the session.

We look forward to welcoming Nikki back after half-term for a session on transition to secondary school. Well done, Year 6! 🙌

Online Safety - Group Chats

*This week we are sharing Knowsley's latest **Online Safety Update for Parents and Carers**, which focuses on **Group Chats** – something many children use on apps, games and social media. The newsletter explains potential risks such as inappropriate content, bullying, strangers being added to chats, screenshots being shared, and the sharing of personal information. It also offers practical advice on privacy settings, age ratings and talking regularly with children about staying safe online. There is also some important information about **Roblox**.*

*We have also added the latest **Knowsley Online Safety Video** to our website. This month's theme is **Navigating Group Chats**, covering potential risks, dealing with peer pressure, and how children can use blocking and reporting tools.*

Please visit our [school website](#) to read the newsletter and watch the video.

Online Safety Newsletter

May 2026

FreezeNova (Unblocked games)

FreezeNova unblocked is a website that is free to access and contains a wide variety of games, including shooting, multiplayer and racing games. This site may bypass usual filters, making it easier for your child to access games that you may not want them to play. As there are a variety of games, not all games may be suitable for your child.

There is also FreezeNova Chat, allowing users to chat to their friends and meet new ones. Clearly there are concerns with any online chat facility as there is the potential to view inappropriate content, risk of bullying as well as grooming.

We could not locate any age ratings on this site and there are constant adverts. Childnet have a webpage providing advice on gaming and chat features here:

<https://www.childnet.com/help-and-advice/gaming/>

Would you like to read this newsletter in a different language? You can use the translate tool on our web version: <https://www.knowsley-ics.org.uk/may-2026-primary/>

Group Chats

Is your child part of any group chats? This could be on social media, for example on WhatsApp or within games such as Fortnite. If so, it is important that you are aware of the potential risks, which include:

- **Inappropriate content** – there is often a lack of moderation within chat facilities so users could be exposed to content/language that is not suitable for their age.
- **Bullying** – there are many instances where inappropriate/hurtful comments are shared within groups, this could take the form of name calling or body shaming. Bullying can also be in the form of excluding others from the group. These issues often overspill into 'real life'.
- **Strangers** – your child could be added to groups with people they do not know or even with someone that they have previously blocked.
- **Conversations can be shared/screen shot** – make sure your child is aware that anything they share within a group can be shared with others.
- **Sharing personal information** – remind your child to be aware of the information they share with others, including images and location.

How can I help make group chats safer?

- Check the recommended age rating and adhere to them.
- Set up age-appropriate parental controls, suitable privacy settings and set screen time limits.
- On WhatsApp you can do a privacy check, by going to settings, privacy and privacy checkup.
- Show your child how to use any reporting and blocking tools.

What else can I do?

- It is crucial to have regular conversations with your child about the risks outlined above and about what they are doing online.
- Talk about who they are chatting with, encourage them to think carefully about what they send and how it could be perceived by others. **Talk about positivity and not saying anything hurtful. Ask them to think about whether they would say what they are messaging, face to face.**
- Devices should be used in family rooms so you can monitor what they are doing and who they are interacting with.
- Finally, make sure to model good digital behaviour yourself, as children often learn by observing the adults around them.

Roblox - update

What is Roblox?

Roblox is a platform consisting of a collection of games. Players can either create games or play games that other users have created. **As a lot of the content is user generated, not all games will be suitable for your child to view/play.** If your child is playing Roblox, it is important to monitor what your child is accessing as well as set up appropriate parental controls. PEGI rate Roblox with a Parental Guidance recommended label, this is because it is a platform of individual, user generated games.

New Age-Based Accounts

From next month, Roblox will introduce two new age-based accounts: Roblox Kids for users ages 5 to 8 and Roblox Select for users ages 9 to 15. Roblox Kids Accounts (ages 5-8) will be limited to games with a 'Minimal or Mild' content maturity label and all communication is disabled by default. Roblox Select accounts (ages 9 to 15) will be limited to games with content maturity labels up to and including 'Moderate'. By default, Experience Chat is ON and Direct Experience Chat is OFF. The differences in chat are outlined here: <https://about.roblox.com/safety-by-age>

Parental Controls

As part of parental controls, you can manage content ratings, communication, screen time, and spending limits as well as see which games your child is playing on and who their friends are. Roblox are extending these controls to allow you to:

- Block specific individual games (to age 15).
- Manage direct chat settings (to age 15).
- Approve access to specific games.

It is important to regularly monitor what your child is playing on Roblox and who they are interacting with, even if you have parental controls set up. You can find out more about the new accounts and parental controls here:

Screen time guidance for under 5s

The Government now advise limiting screen time for young children. They advise avoiding screen time for under 2 years and to try to keep it to less than 1 hour a day for 2-5 years. Best Start for Life have published an article outlining what content is better, how your own screentime affects your child and how screentime can affect your child's development. Find out more here:

PEGI is expanding their age ratings

From June, PEGI is adding new categories. "Newly submitted games will be classified with a broader set of criteria that will focus on content and functionality, such as purchases of in-game content, paid random items, communication features, and features that incentivise players to continue playing." Parent/Carer Information Session – Social Media & Livestreaming

This session will explore the latest trends and emerging risks associated with social media and livestreaming. It aims to support parents and carers in developing a better understanding of these platforms, the potential risks for young people, and practical steps that can be taken to help keep children safe online.

Date: Wednesday 6th May 2026

Time: 4:00pm – 4:45pm

A link to access the session will be sent one week prior to the event. This will be shared via ParentMail.

Please note that this session will be recorded and made available afterwards for those who are unable to attend live.

In partnership with Knowsley CLCs, all parent/carers are invited to an:

Water Bottles & Fruit - PLEASE READ VERY CAREFULLY

Nursery - Just a reminder that all children get fresh water, milk and fruit daily. Therefore children do not need to bring water in their own bottles. **No juice/water should be brought into school.**

Reception & Key Stage 1 - Children are to bring **empty water bottles** into school each day and fill them up in school from our water dispensers. **It is very important that this is followed for safeguarding reasons. No juice or water should be brought into school. If there are medical reasons why your child cannot drink water, please speak to Miss Mounsey regarding this.** Also, children get fruit daily and, therefore, there is no need to fetch snack.

Key Stage 2 - Children are to bring **empty water bottles** into school each day and fill them up in school from our water dispensers. **It is very important that this is followed for safeguarding reasons. No juice or water should be brought into school. If there are medical reasons why your child cannot drink water, please speak to Miss Mounsey regarding this.** Children can bring a piece of fruit into school for the morning breaktime. Please ensure that grapes are cut in half, lengthways.

Eco-Champions!

This week's Eco-Champions of the Week are Year 5 & Year 6!

Well done for showing excellent eco-friendly habits and leading the way for others. Keep it up!

Parking on School Lane and in the school carpark

*We kindly ask that parents and carers **do not park on School Lane or on the school carpark** during drop-off and pick-up times.*

*To help keep everyone safe, please **park on Skinburness Road, by the tennis courts**, and walk down to school with your child. This keeps the lane clear for residents, delivery drivers, and emergency vehicles, and ensures a safe environment for our children walking and cycling to school.*

Thank you for your understanding and support in keeping our school community safe and considerate.

Punctuality Matters

It is essential that children are in school on time, every day.

- **Doors open: 8:30am**
- **Registration begins: 8:35am**

- **Registration closes: 8:45am**
-

*After this time, children must enter through the **main entrance** and will be marked as **late**. Persistent lateness not only disrupts your child's learning but also affects the whole class. Patterns of lateness are carefully monitored and reviewed half-termly alongside attendance.*

Please support your child by ensuring they arrive on time and ready to learn. A prompt start helps them settle quickly, feel confident, and make the very best of every school day.

Poor attendance or frequent lateness can significantly affect life chances. Missing even a few days each term quickly adds up to large gaps in learning, making it harder for your child to keep up. Arriving late has the same impact — children miss vital teaching and the start of the school day, which sets the tone for learning.

Cycling & Scootering to School – A Reminder about Road Safety

As we are encouraging more children are choosing to cycle or scooter to school, we would like to remind families about the importance of **road safety** and being considerate of others. Please take a moment to talk with your child about safe cycling and scootering so that every journey to and from school is as safe as possible.

Key Road Safety Rules for Cyclists

-  Always wear a properly fitted helmet.

-  Ensure bikes are roadworthy with working brakes and lights.
 -  Use cycle paths where available and keep to the **left-hand side** of the road.
 -  Look carefully before turning or crossing a junction and signal clearly with hand signals.
 -  Obey traffic lights, road signs, and crossings.
 -  Stay visible by wearing **bright or reflective clothing**.
 -  Never cycle more than two abreast, and ride in single file on narrow or busy roads.
 -  Avoid distractions such as headphones or mobile phones.
 -  Do not ride on pavements unless a shared cycle path is clearly marked.
 -  Be cautious around parked cars – check carefully before moving out into the road.
-

On the School Grounds

For the safety of **all children, staff, and visitors**, riding bikes or scooters is **not permitted on school premises**. We kindly ask that children **dismount and walk** with their bikes or scooters once they enter the school gates.

Thank you for your continued support in helping us keep our school community safe.

Stars of the Week!

A huge well done to all of our Stars of the Week! Each of these children has shone brightly, showing great effort, kindness, and enthusiasm in their learning and around school. We are so proud of the positive attitudes they bring to school every day – keep up the fantastic work!

School Meals

School meals are £2.90p per day (£14.50 per week), which represents very good value for money.

All food is freshly made & prepared each day on site by our own kitchen team.

Please remember to pay your child's dinner money (Nursery & Year 3 – 6 ONLY) using +Pay.

Main Meal Choices W/C 4.5.26

Monday - BANK HOLIDAY

Tuesday - Chicken Korma & Rice

Wednesday - Roast Chicken with Vegetables

Thursday – Cheese & Tomato Pizza with Potato Wedges

Friday – Breaded Fish & Chips

Nut & Egg Free School

Please remember that we are a nut & egg free school.

Your child may not bring any eggs or nuts into school as part of their packed lunches or as snacks. Breakfast bars for break time snacks are not permitted as they usually contain nuts or have been made in factories where there are nuts.

Times Table Rockstars of the Week!

A huge congratulations to our amazing mathematicians who rocked their times tables this week! These awards go to the children who, on average, spent the most time per day practising their times tables — your dedication and effort really paid off! Let's see who will top the leader board next week... keep practising, Rockstars!

Names in clothes, please!

Names in Clothes, Please!

Jumpers, cardigans and coats love to go on little adventures around school – but sometimes they forget where they belong!

To help them find their way back, please make sure your child's name is written clearly in *every* item of clothing, including PE kits, hats and shoes.

It makes life much easier for everyone and helps lost clothes get back home safely. Thank you for your help!

Be Ready For The Weather!

*As the weather is becoming increasingly unpredictable, please ensure that children bring a **coat to school every day**. We aim to get outside in the fresh air as much as possible, even if it's a little chilly or damp, so having a suitable coat means your child can enjoy playtimes and outdoor learning comfortably.*

Don't Forget Your Coat!

Bring a coat to school every day.

Living Streets' WOW - The Walk To School Challenge - Starts on Monday!

Living Streets' WOW – the walk to school challenge is back to help encourage as many children as possible to experience the benefits of walking and wheeling to school.

As you know, WOW is a pupil-led initiative where children self-report how they get to school every day. If they travel actively (walk/wheel, cycle, scoot or Park and Stride) at least twice a week for a month, they get rewarded with a badge. This is for Year 1-Year 6 children... but everyone can get involved! It's that easy!

What are the benefits of walking to school?

- *Children feel happier and healthier*
- *They arrive to school refreshed and ready to learn*
- *Helps reduce congestion and pollution at the school gates*

What if we can't walk to school?

If driving, 'Park and Stride' to help your child earn their WOW badges. Park at least ten minutes away from the school and walk the remaining journey.

If using public transport, hop off at least ten minutes away and walk the rest (recorded as 'other' on the WOW Travel Tracker).

What is a WOW badge?

There are 11 badges to be earned from September 2025 – July 2026. Each badge has been designed by a pupil as part of our annual WOW Badge Design Competition. A new badge can be earned every month if pupils walk/wheel, cycle, scoot or Park and Stride at least twice a week.

WOW 2025/26 encourages pupils to Walk with Joy, with badges depicting everything from jumping in puddles to painting.

The badges are made in Cornwall from material that was otherwise destined for landfill, including fridge trays, plastic plates and yoghurt pot off-cuts. For more information, visit:

Last year, around 2,100 schools and over 540,000 pupils enjoyed the benefits of walking to school with WOW. Will you join us?

Smoking & Vaping

A gentle reminder to all parents and carers: smoking and vaping are strictly prohibited on school premises at all times. This policy is in place to ensure a safe, healthy environment for all our children, staff, and visitors. Please refrain from smoking or vaping anywhere on school grounds, including car parks and entrances. Your support helps us maintain a clean, respectful space where all children can thrive. Thank you for helping us keep our school a smoke-free zone.

Our Mission Statement

Nurturing, empowering and supporting the 'whole child' today, to flourish into successful, happy and resilient lifelong learners who positively contribute to the global community of tomorrow.

Our Vision

At Silloth Primary School we are committed to nurturing every child's potential in a supportive, safe and inclusive environment.

We aim to cultivate curious, compassionate, and confident learners who are equipped to thrive in a modern global community,

We embrace diversity, encourage critical thinking, creativity and foster a lifelong love of learning.

By integrating innovative teaching practices with a focus on empathy and global awareness, we aim to prepare our students to become responsible, resilient and active citizens of the world.

Together we empower our children to make a positive impact on their communities and beyond.
