Dear Parent

Throughout the school year there may be occasions on which a child needs to take medication, or a child may already take medication on a regular basis for a permanent condition. It is very important that parents are aware of the school's policy regarding administration of medication and a copy of this is enclosed. This policy has been produced in accordance with guidelines from the Department of Education. If you have any concerns regarding this, please feel free to come in to school and discuss these with me.

Yours faithfully
