Dear Parent/Guardian

Internet access is available to all pupils and teachers in Millburn Primary School offering vast, diverse and unique resources to both pupils and teachers. Users of the Internet within Millburn Primary must adhere to strict guidelines and these are contained within our school's Use of Internet Policy. Your child has been made aware of the importance of using the Internet in an appropriate and sensible manner. A copy of the Use of Internet Policy is available on the school's website or from the school office for anyone who wishes to have a hard copy.

It is important that we have written permission for your child to make use of the Internet and I would be grateful if you would sign and return the attached slip to your child's class teacher as soon as possible.

Yours faithfully

**Sharon Lamont**
