

Good morning

Please find below some messages for next week:

Whole School

We have found a huge number of jumpers, cardigans, coats, snack pots and water bottles around the playground this week. Anything named has been returned to the children but there is still a large pile of items which are not named so cannot be given back. These will be on the picnic tables outside the bottom hall at the end of school today. Anything unclaimed at the end of the day will be thrown away or recycled.

On **Thursday 24 September** we will be inviting parents of **year 1 & 2** children into the classroom from 8.40 - 8.55am to join in the early morning task.

On Saturday 26 September we will be holding the first of our open mornings for parents of children who are due to start school in September 2027. We still have a few spaces available on the 9.30am tour, so if you know someone who would be interested in joining us please ask them to contact the office.

Assemblies

KS1: European Day of Languages

KS2: European Day of Languages

Heads: Dyslexia Awareness Week

Foundation Stage

We will be holding our Maths Workshop on **Wednesday 23 September from 6-7pm** in the bottom hall. We will be talking about how we start teaching maths to the children, and what you can do at home to support them. Please do come and join us and take part in some of the activities your children will be doing through the year. It would help us with resource planning if you could drop us a quick email to confirm if you are coming. Thank you

If you have not yet paid your contribution for Friday snack please could you do so as soon as possible. About a third of families have not yet made a contribution, which may mean we are unable to provide Friday snacks for the whole of the school year.

Year 1

No messages this week.

Year 2

On **Monday 28th September**, Year 2 have a visit planned to Holy Trinity Church at Shaw. This is so that the children can learn more about 'Harvest', as part of our R.E. Curriculum. We will be visiting for the afternoon and so will be walking to the Church at **1pm on this day**. Whilst there, the children will have the opportunity to taste some bread at the 'Harvest Grain Station'. The kind volunteers who are making the bread have assured me that they are making the bread milk, nut and seed free. Please let your class teacher know, if your child has allergies/intolerances and should refrain from eating the bread. In order for this trip to take place, **we will need parental support** in this activity. If you are able to help for this trip, please let your class teacher know asap. Thank you.

Our apologies for not including the **Monster Phonics logins**, in your child's homework book last week. You will find that they have been stuck **in the front of their Reading Record books** this week, so that you can access the books your child has been reading throughout the week. As part of our reading drive, we would ask that your child has their Reading Record book in their bags on a daily basis. This is so that we can write in them when we read and your child earns a 'Housepoint' if they have it with them on the day they read. They will also receive 5 'housepoints' if they have read at least 3 times during a week. We hope you are able to support your child with this.

Finally, just a reminder that **homework** is due in on a Wednesday morning. This includes red homework books and 'Quality texts/Parent Share' books. Results from spelling tests will be shared in the red homework books, which will then come home on a Friday. If you have any questions, do please ask your class teacher. We think we have had all requests for physical reading books now. If you have asked for a physical text, it will come home in a little zippy pocket with your child's name on the front. This is so that we can keep the books in the best condition possible. These books must be returned on the Monday morning, in their zippy wallets, so that they can be used with another group and so we have your child's zippy wallet ready for their next book and we don't forget to give you a physical copy on the Friday. Thank you for your support.

Year 3

As of next week, Miss Tovey's PE schedule will change permanently from Monday and Friday to Monday and Tuesday. On these days Miss Tovey's class should come to school in their PE kit, with a school jumper or fleece as required.

Year 4

No messages this week

Year 5

If you have not yet indicated that your child would like to join the year 6 residential to

PGL Liddington in October 2027 please do so as soon as possible. We need a minimum of 45 children to make this viable and at the moment we do not have those numbers. We need to make a decision next week on the viability of the trip.

Year 6

No messages this week

We hope you have a good weekend.

Kind regards

Brook Field School
