Welcome to Term 6 – Let the Adventures Begin!

As we step into our final term of the school year, there's a real sense of excitement and energy across the school. Term 6 is shaping up to be action-packed and full of fantastic opportunities – from special trips and outdoor learning to celebrations and milestones for every year group.

We'd also like to say a huge well done to all our pupils for the hard work and resilience they showed during SATs week last term. Your effort and determination were truly impressive! A special thank you goes to everyone who helped throughout, including with the delicious morning breakfasts – they gave the children a brilliant start to each day and were a real highlight of the week.

Also, well done to our Year 1 children for their enthusiastic preparation for the Phonics Screening Check – your hard work and dedication truly paid off this week. Congratulations also to our Year 4 pupils for the fantastic effort you put into getting ready for the Multiplication Check – we're proud of all your hard work! Thank you to all the staff for the hard work and support that you consistently provide for our children.

The term kicked off with our Year 6 who were absolutely amazing on their recent residential trip. They demonstrated impeccable respect towards all adults, worked together with terrific teamwork, and gave every activity a real go, no matter the challenge. With five different activities each day and super meals to keep them going, they made the most of every opportunity. This trip is one that will never be forgotten. As the first residential I've led as Headteacher, I could not have been more impressed or proud of all the children – they truly represented our school in the best possible way.

If you would like to find out about the exciting topics taking place across each individual year group, please do visit the school website and navigate to the appropriate Year Group page: <https://www.brookfieldprimary.org/topic/classes>

Let's make this final term one to remember!

Kindest regards,
Rachel Taylor, Headteacher

The value that we are focussing on this term is:

This term, our school value is **teamwork** – and we'll be encouraging all our children to support one another, share ideas, and work together to achieve their very best. Whether it's in the classroom, on the sports field, or during group activities, we truly believe that *teamwork makes the dream work!*

Term 6 Dates and Upcoming TD Days

Friday 20th June - Early Years trip to Bristol Aquarium
Friday 20th June - Mrs Bickell's Class Assembly
Wednesday 25th June - FOBS Movie Night
Friday 27th June - Mrs Foulser's Class Assembly
Thursday 3rd July - Dress Down Day for Rainbow raffle
Thursday 3rd July - French Day
Friday 4th July - TD Day (school closed to pupils)
Friday 11th July - Sports day
Friday 18th July - Summer Fete
Friday 18th July - Early Years Pirate Day
Monday 21st July - Year 6 Production 6.30pm
Tuesday 22nd July - Year 6 Production 6.30pm
Wednesday 23rd July - Leavers Assembly 2.00pm
Thursday 24th July - TD Day (school closed to pupils)

Teacher Training Days for 2025-2026 Academic Year

Monday 1st September 2025
Monday 3rd November 2025
Monday 5th January 2026
Monday 1st June 2026
Wednesday 22nd July 2026

To access all Term Dates for the 2025-2026 academic year, please click on the web link below:

Social Media

Brook Field Primary School has several Social Media pages which are updated regularly with pictures of what our children have been up to, articles on topics such as online safety, details of upcoming events and news about the school.

Give us a follow and keep up to date with what's going on!

<https://www.facebook.com/people/Brook-Field-Primary-School/61561582134501/>

Whole School Strategic Drive – Safeguarding

As you will know from previous newsletters as a school we set specific strategic drives each year to support whole school improvements. One of our drives this year is:

To maintain a strong culture of Safeguarding by completing the National 360-degree audit and ensuring responsibilities and key information, including our Safeguarding curriculum, is clearly understood and supports the children and staff.

the online safety self-review tool

We are committed to helping our children understand what *safeguarding* means. Through regular lessons and assemblies, we support them in recognising when something doesn't feel right and knowing who they can talk to - both at school and at home - if they feel unsafe.

Alongside this, we are using the 360 Degree Safe tool to review and improve our online safety practices. This tool helps schools assess their current policies and procedures, encouraging collaboration, reflection, and continuous improvement in how we protect children in the digital world.

By using 360 Degree Safe, we're ensuring our approach to online safety is strong, up-to-date, and supports our pupils' wellbeing in all areas of school life.

<https://360safe.org.uk/>

Brook Field Sports Day – Friday 11th July

Forget the FIFA Club World Cup, the British & Irish Lions tour to Australia, the UEFA Women's Euros, Wimbledon and the Tour de France; this summer's biggest sporting event is just around the corner.....Brook Field School's Sports Day!!

Parents and carers are once again invited to support their favourite House Team in a variety of track and field events on **Friday 11th July.**

Order of events:

- 9:05 am - Sports Day opening ceremony involving the whole school will start including music, marching and Wake and Shake for all.
- 9:15 – 12:00 – Key Stage 2 Sports Day. Children from Years 3 to 6 will compete in a variety of competitive races and events.
- 12:15 – 1:15 – Picnic Lunch on the School Field. Parents and Carers are invited to join their children by bringing a picnic and spending time together with them on the field.

**Friends of Brook Field will be running a refreshment stall through the day!
...Coffee, soft drinks and snacks**

- 1:30 – 3pm – Key Stage 1 Sports Day – Children from Foundation Stage, Year 1 and 2 will all take part in a range of sporting events on the track as part of a team and celebrating all children's involvement.

We look forward to you joining us and celebrating a fun day of sporting success on Friday 11th July.

Year Group Partner Meeting

During our Year Group Partner meeting at the beginning of term 5 Year 1 and 3, Year 2 and 5 and Year 4 and 6 got together to enjoy playing a range of playground games outside. The children loved playing team games like Duck, Duck, Goose and Pass the Hoop both of which involved using a range of skills and most importantly teamwork.

Some of the responses from children about the activities include:

“We had to work together to play the hoop game,” - Year 1

“I like playing with people in Year 5,” - Year 2

“I used the value of teamwork when playing the games with Year 1,” - Year 3

“It was fun and I really enjoyed playing with other people in year groups,”
- Year 4

“I liked working with the Year 2s because it gave me responsibility,” - Year 5

“We all used Teamwork in our house groups and got through all of the challenges together. It was very hard but we got through it very quickly,”
- Year 6

Aim High Day

Years 1 and 2 had a fantastic ‘Aim High’ Day last term. The poet Carol Rumble led an insightful and inspiring day on poetry.

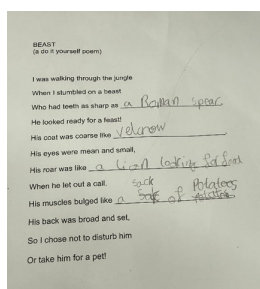

The children started the session sharing some of the poems she had written and looking at rhyming words. They looked at what words rhyme together and then created clues about an animal which they then shared with the rest of the group.

The final task was to write and perform their very own poem. They performed beautifully and all recitations were celebrated.

The children came away from the session, buzzing with excitement!

Blue Kite Debate Competition 2025

On Thursday 22 May a team of four Year 5 children participated in the annual Blue Kite Debate competition at Lethbridge School where they competed against teams from Lethbridge, Ferndale and Wanborough. Mrs Foulser, Mrs Woolrich and Mrs Marvell had the pleasure of attending the event to cheer our children on.

Our amazing team presented a very compelling argument for their theme of '**Everyone should eat a plant-based diet**' and were debating for this statement. They fielded some challenging questions from the Wanborough team and the audience. Our chair and questioner also introduced and asked some thought-provoking questions to the Wanborough team.

The other teams also delivered very thought-provoking presentations around titles including:

Robots should replace teachers - debating against this statement

Every child should learn to play a musical instrument - debating for this statement

AI is a threat to humans - debating for this statement

Judged by Heidi Alexander, MP and Francis George, Solicitor our congratulations go to Wanborough who came out the overall winners. Apparently, there was only half a point between the top two teams and 3 points between the highest and lowest scoring teams.

A huge well done to Tilly, Tamsin, Jeffrey and Vedant and thanks to Mrs Foulser, Mrs Taylor and the Year 5 team for preparing the team for the debate.

Nuts!

We would like to remind parents that whilst Brook Field cannot claim to be totally nut-free, we aim to eliminate nuts from school as much as possible. We have a number of children and adults in school who experience severe allergic reactions when exposed to nuts (whether on their own or in other foods). We therefore ask that you do not include any nut products in snacks and lunches which you may send in with your child.

In particular, ***please could you avoid using chocolate spread containing nuts when making sandwiches as this is the area which presents us with the greatest difficulty.***

We appreciate your support in helping us to create a safe environment for all pupils and staff at Brook Field.

PLEASE

**NO PEANUTS
OR
NUT PRODUCTS**

Attendance

At Brook Field, we are committed to giving every child the best possible start in life — and that begins with excellent school attendance. Our whole-school attendance target is **95%**, and we need your continued support to reach it!

Why Attendance Matters

Children who attend school regularly are more likely to:

-  Keep up with learning
-  Build strong friendships
-  Develop healthy routines and resilience
-  Feel confident and included
-  Reach their full potential

Attendance Adds Up!

Days Missed	School Weeks Missed	Attendance Rate	Impact
0–9 days	Less than 2 weeks	95%+	 On track! Great attendance and progress.
10–19 days	Around 3–4 weeks	90%	 Risk of falling behind. Needs support.
20+ days	More than 4 weeks	Below 90%	 Serious concern. Likely to miss key learning.

Every day counts! Missing just 1 day every 2 weeks = nearly 4 whole weeks missed per year.

Why Term-Time Holidays Hold Children Back

We understand family time is precious. However, taking holidays during school time has a real impact on your child's progress. Here's why:

-  Gaps in learning are hard to catch up on
-  Disruption to routine affects confidence and focus
-  Missed group work, activities, and assessments

How You Can Help

- Try to arrange holidays outside of term dates.
- Book medical or dental appointments outside of school hours whenever possible.
- Let us know if your child is unwell or struggling with attendance — we're here to help.

Together, we can ensure all our children thrive — academically, socially, and emotionally. Let's aim high and work together to reach our 95% attendance goal!

Starting next academic year, we will regularly inform parents if their child's attendance falls below 96%, so we can work together to support consistent school attendance.

Thank you for your continued support.

Friends of Brook Field School

Summer Raffle 2025

It's time for the annual FOBS raffle – we are pleased to announce we have lots of prizes, kindly donated by many businesses. We are still accepting donations if you know if anyone who could help support our fundraising.

Please find attached your raffle tickets, **£1 per ticket**. Why not sell to family, friends or neighbours & help raise money for Brook Field School. The raffle tickets & money will need to be returned to school by **Thursday 3rd July**, & the draw will take place at School on **Monday 7th July**.

Good luck and thank you for your support.

If additional tickets are required, or you have any questions please email:
friendsofbrookfield@gmail.com

Prizes include Beko Fridge, Beko Washing Machine, and various vouchers including days out, bowling, soft play, restaurants, & rainbow hampers, plus more. Further details will be announced.

RUGRATS & HOLFINTO

We are looking for new members to join FOBS committee or help out at events. Any support to run events is greatly appreciated.

“Here, here!”

Blue Kite Academy Trust Visits the Houses of Parliament for the First Time!

This term marked a very special occasion for the Blue Kite Academy Trust – our very first visit to the Houses of Parliament! Two children from each of our 25 schools were chosen to represent their communities, making for a truly memorable and inspiring day.

Excitement was high as we set off on a safe and smooth journey to London. Upon arrival, we enjoyed a picnic in the beautiful Victoria Tower Gardens, with the stunning backdrop of Parliament and the River Thames adding to the occasion.

The tour of the historic Palace of Westminster was a real highlight. We learned all about the impressive traditions of British democracy and were amazed by the grandeur of the buildings, where Henry VIII once held banquets and where both the House of Commons and the House of Lords meet today. The children even had the chance to sit in on some live debates, sparking lots of questions and great conversation.

A special congratulations goes to Kiarna and Harris, who were selected as our school council representatives. They represented us with pride, enthusiasm, and maturity throughout the day – fantastic ambassadors for the Trust. It was an unforgettable experience for everyone involved, and we're already looking forward to making this an annual tradition!

Parent Coffee Morning – School Council Special

At the start of Term 5, the regular parent coffee morning provided a wonderful opportunity for the School Council to share their work with families. It was an inspiring moment as children from Year 2 to Year 6 spoke confidently to parents about how they were chosen by their classmates to represent their class - a true boost to their self-esteem and sense of responsibility.

Each class from Year 2 upwards elects one representative, giving every child a voice in how our school runs. These young leaders play a vital role in making positive changes not just in our school community, but also in the wider world.

SCHOOL COUNCIL

Supported by Mrs Evans, the School Council holds weekly meetings to discuss ideas, questions, and suggestions. Councillors then share this information with their classmates, making sure that everyone is kept informed and involved.

One important topic that the School Council discusses each year is **safeguarding**. They explore what it means, why it matters, and most importantly, who children can talk to if they need help - both in and out of school. These conversations help keep all children safe, informed, and empowered.

We're very proud of our School Council and how they help to make our school a better place for everyone!

Vehicles on School Grounds

We would like to politely remind our parents that there is no parking on site unless you are a disabled badge holder or have had a meeting with the Headteacher and a temporary pass has been issued. This excludes those dropping children off for Breakfast club or collecting children from after school clubs.

As you will understand, this is for the safety of all the children and those parents/carers/siblings walking onto the site in the morning and after school. Unrestricted access for cars can lead to an unsafe and chaotic environment, and also increases significant congestion that we must avoid to Safeguard all children.

We would ask anyone who drives onto site at any time to observe the speed limit of 5mph and to park in a safe and considerate manner.

Walking or cycling to school develops healthy habits and lifestyles and improves well-being for all. This also reduces pollution, creates a healthier environment and aligns with our drive for sustainability.

We thank you for your support in considering the safety of all those who visit our school. If you would like to discuss any concerns or arrangements then please do not hesitate to contact the school office to make an appointment.

Year Group Author Focus

As part of our continuing drive to expose children to different books and foster a genuine passion for reading, we have decided to focus on a particular author each term.

This term, our year group authors are:

FS - Eric Carle

Y1 - Lynley Dodd

Y2 - Simon Bartram

Y3 - Peter Bunzl

Y4 - Jenny Broom

Y5 - Sophie Anderson

Y6 - Matt Goodfellow

Parents have asked to be kept informed of our author focus so that they might share and read texts relating to what is also being done in school.

Brilliant Braeside!

In May, the year 4s had an amazing residential experience at Braeside residential centre in Devizes.

After following our planned route and spotting the sights of Avebury, Silbury Hill and the White Horse, we arrived at the beautiful Braeside House for 3 days of exciting challenges.

We had lots of fun trying out the climbing wall and the different routes to the top, tackling problem solving activities in teams, braving the leap of faith after a tricky ascent to the top of the tower and learning to canoe on the canal.

On the Tuesday, we walked to Drew's Pond Woods where we spent half the day creating beautiful artwork inspired by Andy Goldsworthy and his use of nature, and the other half conducting scientific experiments in the streams, investigating velocity and identifying different creatures. Despite a torrential downpour and thunderstorm on the walk home, we all had a fantastic time!

After drying out and having a lovely warm shower, we took part in the annual Brook Field Talent Show where the children amazed us with their array of acts! It was a fantastic trip with memories of a lifetime made. The children did themselves and the school proud, taking on challenges, pushing themselves out of their comfort zones, being brave and encouraging and supporting others.

Year 2 Trip to Aerospace, Bristol

Year 2 had a very exciting start to this term. On the first day back, we had our trip to Aerospace, Bristol. The children were very excited!

After a little delay, to the start of our trip, we arrived in good time at the museum. We had mixed the two classes and split off into two groups. Miss Tovey's group went off to complete the Mars Rover workshop first, while Mrs Bickell's group went off to explore the Museum.

We discovered all sorts of things related to topic we have covered throughout the year. We found Amelia Earhart's goggles and hat, replicas of biplanes and even got to try on some of the clothing they would have worn.

The Mars Workshop was amazing! We had to learn how to programme a Mars robot. First, we needed to work out in which order the instructions needed to be, avoiding the rocks on Mars, to reach our destination, where our robot would take samples from Mars. We could then program the I-pad, which would then move the robot. We even got to add lights and sounds at the end of the instructions!

Finally, we saw Concorde. We got to walk through it and see the pilot's cockpit, where the passengers sat and were amazed that Concorde could fly from England to New York in 3 hours and 20 minutes! That's super fast!

We had a great time!

Perfect Pizzas!

In year 3, we made pizzas as part of our Roman topic for our DT and English learning. We made our own dough and then had to decide on our toppings. We then wrote a set of instructions in our English learning to show our understanding of how to make it and how to embed our taught grammar features.

Egyptian Explorers!

Year 5 had an incredible time dressed up as 1920's reporters, witnessing the finding of the great Tomb of Tutankhamun. They looked incredible in their costumes and made such an effort, even with extra resources such as cameras to become involved in the role. They were impressive reporters making keen observations about what was inside the tomb and asking many important questions. They then took this information and have produced some excellent newspaper reports, which have been a pleasure to read. Well done Year 5!

Baby Dragons!

Year 2 started last term with a mission! A mission to find the Dragon's egg which was hidden somewhere in the school. First, they had to solve the clues, based on words and letters and then they had to order the letters to find out where the Dragon's egg was hidden. They had a fantastic time running around the playgrounds, locating the clues. Finally, the egg was discovered down by the pond, in the Woodland Walk!

This was then followed up with learning to draw Baby Dragons and creating our very own dragon eyes, using coloured clay.

What a great start to the term!

Sport Report

Football dominated Term 5 with regard to sporting action. The football season ended for the Years 5/6 mixed team and there was a Football Festival for KS1.

Semi-Final Heartbreak

There was heartbreak for the football team on Friday 25th April, when we lost our Swindon PSFA Semi-final Cup match against Oakhurst Community Primary School, 1 – 0 at the Gerard Buxton Sports Association in Royal Wootton Bassett. Oakhurst have been one of the form teams in Swindon primary schools' football this season being undefeated in their league and County Champions. However, we gave a very good account of ourselves and everyone should be proud of how they played.

Oakhurst (managed by ex-Brook Field pupil and Sports Coach, Mr Parsons) had more possession and chances but we were never out of the game. With about five minutes to go, we conceded a soft penalty which was ballooned over the bar, when the penalty taker slipped and knocked the ball first with his standing foot, but we continued to hang on and battle hard. The heartbreak then came because we conceded in the final minute of normal time before it would have gone to extra time and penalties.

The goal was also slightly controversial. Mario, who had been a rock in our defence, gave away a free kick when Oakhurst were breaking and their forward had got in behind our defence, was about to collect a long ball forward and go in one-on-one with Harvey. The free kick was swung in, their player had a clear shot and it looked like he couldn't miss. Harvey made a good save, the ball bobbed around, another shot came in, Harvey saved it again and then it appeared to be kicked out of his hand, pinged around a bit on the goal-line before finally being prodded into the net. Harvey and several of our players protested saying it had been kicked out of his hands and he'd been fouled. However, the goal was given as Harvey was not in full control of the ball with his hand not being on top of the ball and trapping it against the surface of the pitch. It was similar to the Aston Villa goal ruled out against Manchester United in their final Premier League game of the season! Whereas, Manchester United were very fortunate to get away with it, Brook Field were not!

We still had one last opportunity to get back level when we won a free kick (their player kicked the ball away to stop us taking it quickly) but couldn't quite get a clear shot away on goal before the final whistle blew. Oakhurst, overall deserved to go through to the final; although our team felt the bulk of the decisions had gone against us, this had no real bearing on the outcome of the game apart from the controversial winner!

Oakhurst played The Croft in the final (who beat St Mary's in the other semi-final 4 – 2) and lost 4 – 0 to them. Well done to Harvey, Zachary, Spencer, Jessie, Mario, Quinn, Luca, Dylan, Jimmy and Noah.

West Swindon League Season Final Two Fixtures Determine Overall Standings

Thursday 1st May: In a close match and with a much-changed team, Brook Field drew 1 - 1 with Even Swindon in our penultimate game of the season. James T, Mav, Yash and Riley came into the squad. Although it was close and played in a good spirit, there were two 'controversial' moments, where the correct decisions were made but defined the outcome!

Even Swindon scored first after about 6 minutes. Our defence was caught too far up the pitch and a long ball in behind us saw Even Swindon have two attackers against Harvey in goal. Their player was on the edge of the area when he got the ball, giving us no chance to recover. He ran through level to the penalty spot and crashed it into the left hand-side of the goal before Harvey had time to react. We dug deep and then slightly against the run of play equalised. A flowing, passing move down our left-hand side ended with a cross field ball to the back post where James was standing fairly free. He got the ball under control, momentarily stopped and then fired home with his left foot to draw Brook Field level. 1 - 1 and the team couldn't believe James had scored with his left foot! On 10 minutes, we had our first agreed drinks break due to the heat. Even Swindon came out with a clear tactic after this which nearly caught us out as we'd made a couple of substitutions.

The second half was where it got more controversial. 12 minutes into the second half and we won a corner. As the corner was swung over, an Even Swindon player threw his left arm at the ball and punched it out behind the goal. Unfortunately, our referee, didn't have a clear view of it as he was focusing on the goalkeeper and whether he was going to be fouled or impeded by our player. It was a genuine refereeing decision and he could only go by what he had seen. The Even Swindon player then told the referee that the ball had hit on the arm just below his elbow. Our referee was then even more in a dilemma as he hadn't seen the incident so couldn't give the penalty but wondered if he then could, as the player had said what he'd done! When he asked the player again where the ball had hit his arm, the player then pointed to the top of his shoulder! So, the referee went with his original decision of a second corner.

Further 'controversy' followed! Both teams had more opportunities to win the game, but within the final minute, our last substitution had been made and the game was petering out. The referee has the whistle in his mouth, when the ball goes back to the Even Swindon goalie. (Both goalies had big kicks on them and had nearly scored when their kicks bypassed all the other players and went straight through to the other goalie!) Everyone was looking at the referee as it was obvious he is going to blow the whistle to end the game as the attack has finished. At the very moment the goalkeeper's foot hits the ball, the final whistle was blown. It cleared everyone; Harvey makes a half-hearted attempt to catch it and then moves out of the way of it completely (having heard the final whistle) and the ball lobs over the top of him and curls away, bounces once and into the top corner of the net. Even Swindon were convinced they had scored. The referee could see as he blows the whistle, what was going to happen but the "goal" didn't stand as the final whistle had stopped before the ball went into the goal! Well done to Harvey, Spencer, Mav, Riley, James, Yash, Quinn, Luca, Jimmy and Dylan. Thanks to all the parents for their support.

Our final League game of the season was against Peatmoor on Thursday 8th May and meant that we had managed to complete all our fixtures with a day of the season to go. We won 3 – 0 with two goals from Spencer and one from Luca. It was a good close game with Peatmoor having some good moments and playing well without any substitutes and managing to thwart us for large parts of the match. Vedant, on debut, was voted for as '@man of the Match'. So, Brook Field ultimately finished in third place in the League and were beaten semi-finalists in the Cup. Thank you to all those who have played for the school football teams this year and to their parents or family members for their transport, support and encouragement.

Primary Schools' West League 2024-25 champions: Shaw Ridge [click here for fixtures](#)

School	Played	Won	Drawn	Lost	Points
Shaw Ridge (C)	7	7	0	0	21
Tregoze (R/U)	7	5	0	2	17
Brook Field	7	4	1	2	16
Robert le Kyng	7	4	0	3	15
Even Swindon	7	3	2	2	15
Westlea	7	2	1	4	12
Millbrook	7	1	0	6	9
Peatmoor	7	0	0	7	4*
Hazelwood	-	-	-	-	-

Hazelwood withdrew from the league after fixture lists were drawn up and published *no points for given to teams with matches awarded against them
Robert le Kyng placed above Even Swindon on head-to-head record

Friday 2nd May – KS1 Football Festival

Mrs Taylor and Mrs Bickell took two teams (15 children in total) of very excited footballers, mainly from Year 2, to the KS1 Football Festival at The Swindome on Friday 2nd May, where they played matches against the other Brook Field tea, two teams from Badbury Park and one from Rodbourne Cheney.

Term 6

Term 6 also has lots of sporting action featuring:

Tuesday 10th June - Tri-Golf Festival (Years 4 and 5)

Friday 13th June - Tag Rugby Tournament (Years 4 and 5)

Girls' Football Friendly v Oakhurst and possibly Liden on dates to be confirmed

Thursday 3rd July – Blue Kite Games (Athletics) (Years 5 and 6)

Friday 11th July – Brook Field Sports Day (KS2 morning/KS1 afternoon)

More details about these will be sent separately to those involved.

With our Sports Funding Grant and a kind donation from a family member of a Year 3 child, we now have 26 stopwatches for PE, Maths and Science lessons.
