Foundation Stage

Please note that we will not be hearing your child read during the week starting 6th July because we will be carrying out their final phonics assessment for this year. Please spend time reading your child's parent share book with them during this week.

On Thursday 9th July please send into a school a strong named carrier bag with your child because we will be sending home your child's learning journey and their end of year report on this day.

Your children love pretending to be pirates in our 'Captain Hook's Cabin'! We are all looking forward to our Foundation Stage Pirate Day on Friday, 17th July. This is a reminder to organise pirate costumes for your children on this day. Pirate costumes can be as simple as a pair of shorts and a stripy top, please don't feel that you have to buy a specific pirate's costume. We ask that you do not include a pirate cutlass or sword as

part of your child's costume for health and safety reasons.

Year 1

No messages this week.

Year 2

The children will be making Lunar Rover Vehicles on Friday 17th July. Please could your child bring a shoe box (ideally with removeable lid) for Friday 17th July.

We are asking for all Quality Text books to be returned in the coming week. Children will still be able to take a colour banded book home until the end of Year 2.

Year 3

No messages this week.

Year 4

No messages this week.

Year 5

No messages this week.

Year 6

We will be filming our production on Monday 6th July. Please make sure your child's costume is in school in a labelled carrier bag for the children to store on their peg.

Please could Year 6 arrive at their classrooms at **5.20pm** on Tuesday 7th July and Wednesday 8th July ready to get changed for their evening production shows.

We are one adult helper short for bowling on Wednesday 7th July. Please can you let your class teacher know if you are available between 11 - 2ish. It will be a shame if we can't take Year 6 on this treat from FOBS

We hope you have a good weekend.

Kind regards
