Year 4

Your child will be completing their Multiplication Times Tables check this week. We are very grateful for all your support. As always, TTRS soundcheck mode is the best mode to practice.

Mr Dredge's class assembly is on Friday 19th June. The children have been given their lines to learn this week. Please see their script for details of your child's costume. Please can all costumes in a named plastic bag be at school by Friday 12th June.

Mr Dredge's class have earned a Marble Party on Friday 12th June. They may bring a non-electronic toy and a snack (not nuts please).

Year 5

No messages this week.

Year 6

Year 6 will be leaving for Junior Good Citizen at 12pm on Tuesday 9th June . We aim to be back by 3.20 but depending on traffic, but please note we might be back shortly after. If you are ordering a school dinner on this day, please can you order a school packed lunch to ensure that it's ready for your child to eat early that day.

Please can you make sure your child is wearing school uniform with sensible footwear. They will need a labelled water bottle and if the weather is nice, please ensure your child has sun cream or a coat depending on the weather as some of the activities take place outside.

The children will not be taking their bags with them so please bear with us when we return as we will need to escort the children back to their classroom to collect all of their belongings.

We hope you have a good weekend.

Kind regards

Brook Field School
