Kings Mill School & Residence

At Kings Mill School we believe that a school uniform

- promotes a school identity
- makes children feel equal
- helps pupils with routines i.e. 'I come to school when I am wearing my uniform'
- creates a feeling of belonging
- is practical
- identifies pupils when out and about in the community

We strongly encourage all our pupils, at the main site, to wear the school uniform

Our school uniform is as follows:-

- grey/black trousers/joggers, shorts, skirt or pinafore dress
- blue/white checked dress in the summer
- lower School - light blue polo shirt (with or without school logo)
- upper School - white polo shirt (with or without school logo)
- navy blue sweatshirt, jumper or cardigan (preferably with the school logo but not essential)
- flat, plain black shoes/trainers
- specialist footwear as required by health

Optional

- navy blue fleece jacket
- navy blue showerproof reversible jacket

Sixth form

Sixth form students do not wear a uniform, but are asked to follow the Student Centre dress code policy. An optional red hooded top (with or without names on the back) is available from H&K Embroidery.

PE Kits

- plain t-shirt - preferably white, and black/navy shorts
- trainers or plimsols
- for older students a tracksuit, shorts and t-shirt are acceptable

Swimming kit

When your child is accessing swimming sessions please ensure they are provided with a swimming costume and towel. These will be returned home after each session.

Please ensure any uniform and clothes are clearly labelled with the child's name and kits in a named PE bag.

Jewellery

We ask children not to wear any form of jewellery (rings, bracelets, necklaces, earrings etc) in school for safety and security reasons. If a child has pierced ears, then small plain sleepers or studs are acceptable, but not larger loop-style or dangly earrings.
