In the classrooms this week:

- Year 3 have begun their new Art unit this week and are beginning to practise techniques that will help them in their upcoming 3D artwork. We can't wait to see the finished pieces!
- Year 4 have been working so hard on their gymnastics unit in PE! Just this afternoon they have been tackling the very tricky backwards roll with determination and perseverance! Year 4 also have their upcoming swimming lessons to look forward to which will be taking place for 4JR w/c 26.1.26 and for 4SB w/c 2.2.26. More information will follow next week.
- Year 5 have been working hard building up to writing a biography of Chris Hadfield in their Literacy lessons. They have been practising biography skills and gathering information about a range of astronauts. We can't wait to read the finished pieces!
- In Music, Year 6 have been learning about music and composers from the Baroque period. They have been learning to play the first part in Pachelbel's Canon.

Attendance Update

We've noticed that attendance at Greasby Junior School is a little lower than usual at the moment, and we're aiming to keep our attendance above 97% to give every pupil the best chance to thrive. We completely understand that coughs and colds are common this time of year, and we want to support families as much as possible. To help your child stay in school, we can administer medicines like Calpol when needed, so they feel comfortable and ready to learn. Missing even a few days each term can make it harder for pupils to keep up with their learning, so regular attendance really does make a big difference. We're here to work with you to support your child's attendance and wellbeing, so please don't hesitate to get in touch if you need any advice or support.
