In the classrooms this week:

- Year 3 have been incredibly inspired by their class text, 'The Big Blue Whale'. They have worked so hard on the build up to their reports, and lots of children have even brought in extra work that they have completed at home! What superstars!
- Year 4 have been working really hard on their knowledge of mountain formations including volcanos. They will be using this information in their upcoming writing task – explaining the process of volcano formation and eruption. Year 4 have also worked really hard in Music this week, creating some wonderful pieces using glockenspiels. Well done Year 4!
- Year 5 have had a very unusual and exciting Friday! They have enjoyed a fascinating Mayan workshop, learning about life in Ancient Mayan times including food, religion and even human sacrifice! Take a look at Dojo for some photos of their exciting day. Easter service preparations are also coming along nicely.
- Year 6 have been working really hard this week on tricky elements of Maths including ratio. They have also enjoyed

Stage Full of Stars

We are beyond proud of the performance given by our choir at the Stage Full of Stars show in New Brighton last weekend. Pupils were polite and courteous to staff and performers, worked hard to give their all to their performance and blew us all away in each of the songs that they performed. It was a pleasure to attend and see the hard work of the choir come to fruition. Thank you to the staff who kindly gave up part of their weekend to support the children. Well done everyone!

A Friendly Reminder to Our School Community

At Greasby Junior School, we deeply value the positive partnerships we share with our parents and carers. Our dedicated staff work hard every day to provide a safe, supportive, and nurturing environment for all pupils.

We recognise that the vast majority of parents are consistently respectful and grateful for the hard work of our staff. However, on a few occasions, some staff members have experienced less positive interactions. We kindly ask that all members of our school community continue to treat our staff with respect and courtesy.

Our team is always here to listen and help with any concerns you may have, but please remember that they are also fulfilling important roles and responsibilities within the school.

Disrespectful behaviour towards staff is not acceptable, as it can impact the wellbeing of our team and the positive atmosphere we strive to maintain. We appreciate your understanding and cooperation in supporting a respectful and collaborative school environment for everyone.

Thank you for being part of our caring community.

Love Music Trust

We are excited to announce the Love Music Trust Vocal Day on Saturday 25th April. This year, in order to allow more young singers to attend, the event will take place across 2 locations - namely Sandbach School, Cheshire East and West Kirby Grammar School, Wirral.

Both courses will run on Saturday 25th April 9am - 5pm and finish with a celebration concert from 4pm for friends and family. The Vocal Days are open to all students, from Year 3 - 7 in full time education, across the borough who love to sing and want to learn more about stagecraft, vocal technique and solo / ensemble singing. The course will consist of a variety of workshops for all attending, plus age appropriate classes. A vibrant mix of warm-ups, games and songs will be explored over the fun packed day.

The cost for the day is just £25 per participant and the link for more information and sign-up is as follows; <http://www.lovemusictrust.com/vocal-day>

The closing date to sign up for our Vocal Day is Friday 17th April 2026.
