First week back

We have had a fantastic first week back at school. Children have worked incredibly hard in their lessons, and have been sharing their learning relating to mountains and volcanoes in Geography, time and decimals in Maths, new books being explored in Literacy lessons (Arthur and the Golden Rope in Year 5 being one of my personal favourites!) and new Science units beginning. Handwriting remains a big focus in school and we are proud of the progress that children are making with letter formation, joins and presentation. Keep up the hard work everyone!

Wet Play

Thank you to everyone for the great turn out to our most recent school disco last night. Take a look at Dojo to see some of the spectacular moves! It was another fantastic fundraising event for school so another enormous thank you to the adults who were able to give up their time to support this event.

Our PTA will be soon be funding some additional wet play games for each of the classes to help to keep the children entertained on rainy days. Before we make any purchases, we thought we would reach out for any small games/puzzles that might be spares or no longer used at home that could possibly be donated to be enjoyed here at school – games such as Dobble, jigsaws, dominoes and similar would be gratefully received, if they are no longer used in your homes. Children will be asked for their opinions shortly about how to use PTA funds to purchase additional games shortly. Thank you in advance!

World Book Day

Parents will have received a letter earlier this week regarding World Book Day coming up next Thursday (5th March). Children are invited to come to school dressed in their pyjamas (if they wish to) and will enjoy a 'bedtime story' read by one of the members of staff and will enjoy many other book related activities throughout the day. We are looking forward to celebrating World Book Day with the children next week.
