### In the classrooms this week:

- Year 3 have been working really hard on fractions in Maths this week – even adding fractions using apparatus and pictures to help us. Great work everyone!
- Year 4 have enjoyed another active week! 4SB have been very successful in their swimming lessons whilst 4JR have been choreographing Viking raid routines, exploring urgency, tension and stillness through movement.
- Year 5 have been developing their scientific knowledge even further and have been learning about the different phases of the moon. We are hoping for clear skies so that we can see the different phases that we have been learning all about in our Science lessons!
- Year 6 have begun gathering ideas for a new discussion text about the pros and cons of animals being kept in zoos. Lots of us have visited Chester Zoo – what are your thoughts?

### Sporting success!

We had lots of pupils to celebrate sporting success with in assembly today! Pupils have been recognised for their contributions and hard work in Judo, Indoor Athletics and Football. Well done to everyone who has represented GJS this week – as always, doing us proud not only with talent and effort levels, but behaviour and manners too. Congratulations GJS Sporting Superstars!

### Spare uniforms

It is really useful for us to have a few uniform spares in school in case of slippy and muddy falls or other accidents. We have plenty of spare polo shirts and shirts, but would really benefit from school trousers, tights and leggings/jogging bottoms. If you have any of these items that children have grown out of, we would really appreciate any that can be sent into school and kept as spares for children to use. Thank you in advance!

### School Entrance

Starting in the coming days, you will notice a small change to our arrival routine at the conservatory entrance. To further ensure the safety and security of our students and staff, we have installed a new intercom system. When arriving at the door, please press the call button; a member of our office team will greet you and ask you to identify yourself and the person you are visiting before granting entry. We appreciate your patience and cooperation as we implement this extra layer of protection for our school community.
